Preface

It is proud for Delhi to be a house of holy persons as well as fakirs persons. Many thousand well-known and famous personalities of connection and permission people of Allah who are taking resting in the condition of sweet sleep in their final resting places.

In this book there are added life details of 22 holy persons of Allah. And who can be called the Qutub of their time? And spiritual master of their period. And for this reason, Delhi is sometimes called the "22 Khwajas' abode" (Dehleez) because 22 Sufi saints, or Khwajas, are buried there. The name "Dehli" is associated with "Dehleez".

Qutub of Qutub Hazrat Khaja Qutub Uddin Bakhatiar Kaki, as per order of his spiritual master Hazrat Khaja Moinuddin Chisti, was settled down in Delhi. The spiritual foundation of the kingdom which he has laid down in Delhi, and its signs are still seen till today. The earth, time conditions and events that could not end this kingdom in this matter. The rules and regulations on which this kingdom laid the

foundation and those rules that guaranteed human welfare.

Among those holy persons who became much famous and well known, some were called Qutub al-Aqtab, others as Mahbook Ilahi, Chiragh Delhawi, Mutwakil, Baqi Billah, Fina Fillah, Muhib Nabi, Maqduum, and some became Allama (scholars).

From those holy persons there were started Sufi chains that were found in India and Pakistan and faraway countries, as well as in their cities and villages.

In this book, there are added in a more brief way life details of 22 holy persons of Delhi and details of biography, strange events, and stories rare usages, leaving of luxurious life, revelation and daily recitals, Wazifs (Allah has mentioned in many places in the Qur'aan the recitals (Wazifas) of many prophets at the time of their difficulties. Such recitals are significant and beneficial in removing one from similar difficulties and programs, sayings, revelations and miracles, endeavors, and worship details, which were added in this book.

This book is the first presentation of its new category of the holy persons in brief way in this matter.

If this book will be accepted about 22 holy persons, then it will be a matter of pride for me.

A book for all spiritual seekers

Reviewed in India on 21 June 2020

This is a valuable book with rare and interesting details from the life of the amazing and one of the greatest Sufi Saints Taj uddin Baba, who spent most of his life in Nagpur, in the pre independent India.

I had come across the name of this Saint in the life history of Shirdi Sai Baba written by Master E. Bharadvaja. It is reported there that once Shirdi Baba confused his disciples by mysteriously drumming on a water pot with his satka (a short stick he used to carry with him). He explained his action by saying, that he is extinguishing the fire which caught the hut of Taj uddin Baba in Nagpur. Taj uddin Baba on the other hand refused to accept a wealthy visitor called Bapu Saheb Buty as his disciple. He asked him to seek his salvation from Shirdi Baba. Both the saints were in communion with each other on the spiritual plane!

Then I was fortunate enough to read the short biography of Taj uddin Baba written by the same author Master Bharadvaja, which impressed me immensely. The drawback of

this short although very valuable biography was that facts and details mentioned in it are not complete or not explained in a logical sequence. Which leads to a feeling of dissatisfaction. Still the reader gets an idea of the overwhelming spiritual power and universal love of Taj uddin. But it kindled my interest to know more about this saint.

This made me always to be in search of a complete biography of the saint with more details. As I by chance discovered the Work of Mohammed Abdul Hafeez I was thrilled and I ordered it immediately and am now a happy possessor of this book.

Many important details from the life of this Sufi Saint, which were like missing links, I could gather from this book:

1. About the ancestry of the saint.
2. His childhood and transition from the worldly life to that of godliness; the important incidents which took place and worked as catalysts on the way to his perfection.

3. His relation with the Maharaja of Nagpur and other members of the aristocracy.

4. An exhaustive account of his relationship with the Hindu-disciples and followers.

India is a country of spirituality. Many of its spiritual masters have transcended the narrow limits of religion, preached and practised universal humanism. It hardly mattered for them to which religion their visitors belonged - they were helped without any discrimination, because only their merit mattered not their cast or creed.

Swami Veerabrahmendra's chief disciple was a Muslim named Sayyed. Shirdi Baba lived in a mosque and was equally worshipped by Muslims and Hindus likewise. Taj uddin Baba was not different in this matter.

As Abdul Hafeez writes in this book about a Hindu-disciple, Venkat Rao, who worked as a Railway guard. People observed him sitting near Taj uddin, although he should have left that place and left Nagpur in a train leaving for Bombay. His job demanded this. But Venkat Rao does not leave that place,

because he is completely engrossed in the presence of the Baba. To the surprise of the other people he was also seen at the same time leaving in that train, which left for Bombay!

Western Occultism calls this phenomenon “bilocation” – a miracle shown many times by Taj uddin Baba on account of his supernatural powers. But the narration of Hafeez leaves one question open: Did the Saint appear in the form of Venkat Rao in the train? Or did he transfer this supernatural power to his disciple so that he could appear at two places at the same time? Spiritual masters are capable of doing both the things.

A very interesting part of this book is that it gives a glimpse into the Muslim or Sufi occultism (see page 81) and tries to explain how miracles happen. This theme requires to be elaborated if the author is planning a second edition.

From the point of view of modern Indian history this book is of immense importance. Yoga and mysticism have been not yet fully

recognised driving forces behind the Indian freedom struggle.

The chapter called “Gandhi and Ali Brothers” depicts Gandhis taking the audience of Taj uddin Baba and the Baba making two predictions - one for Gandhi and another one for the Ali Brothers. Both of them turn out to be true! I request the author to elaborate this chapter with more details and photos if possible. That would increase the value of this book hundredfold!

There are certain short comings in regard to the language. English is a foreign language. It is not always easy to chose the right preposition or the helping verb. In spite of this the reader sees the godly figure of the saint Taj uddin Baba shining behind the linguistic barbed fence of a foreign language.

This is a book to be recommended for all those who are interested in mysticism, universal love which overcomes the narrow limits of religions and for the spiritual seekers.

Introduction

The mirror of reality

The holy persons of Allah, by their conversation and character, have presented a model of standard life style in this matter. It was their method of less eating, less talking, less sleeping, as well as fewer contacts with the other persons.

They used to live an unconscious condition of loving Allah as such that they did not know their own condition of existence in this matter. Surrender to Allah's will, turst and content, hope and despair, love and

brotherhood, sincerity and service, indigence and hunger, and selflessness and firmness was their ideal aim in this matter.

They consider their trouble and solution, medicine and remedy, prayer, passion and musical instrument, death and life, success, as well as defeat from the side of Allah in this matter. They were prisoners of the love of Allah. And helpers of the religion of Allah. Helpers of the poor persons. They were enlightened minds. And perfect peers and costly and incomparable pearls.

When students will go into their wine houses, then they show them guidance and to clear filth of the world from them.

1.Hazrat Khaja Qutub Uddin Bakhtiar Kaki

He was Qutub (Qutb, Qutub, Kuthb, Kutub, or Kotb ([Arabic](#): قطب) which means 'axis', 'pivot', or 'pole'. Qutb can refer to celestial movements and be used as an astronomical term or a spiritual symbol. In [Sufism](#), a Qutb is the perfect human being, *al-Insān al-Kāmil* ('The Universal Man'), who leads the saintly hierarchy. The Qutb is the Sufi spiritual leader who has a divine connection with God and passes knowledge on which makes him central to, or the axis of, Sufism, but he is unknown to the world.¹ There are five Qutbs per era, and they are infallible and trusted spiritual leaders. They are only revealed to a select group of mystics because there is a "human need for direct knowledge of God" among Qutub persons. Hazrat Khaja Qutub Uddin Bakhtiar Kaki is the Quutb of the world. Shaikh of applicablities as well as Qutb of holy persons as per agreement of all. He was one of the believers. Model of the realized person and reason of the salik (student) persons. He is the light and lamp of the family of Chisit noble people. He is beloved of Hazrat Khaja Moinuddin Chisti of

Ajmare. And guide of Baba Farid Ganj Shaker.

Hazrat Nizamuddin Auliya, Hazrat Alauddin Saber, Hazrat Nasiruddin Chiraq Dehlavi, and Khaja Bande Nawaz's spiritual master. He, by leaving his country, arrived in India. He thought the service and company of Khwaja Moinuddin Chisti was a blessing for him in this matter. From this company and service, he got the result that he was the successor, first caliph, and custodian of Khwaja Moinuddin Chisti of Ajmre. Khawja Ajmeri gave him the saintliness of Delhi.

Hazrat Khwaja Moinuddin Chisti, who lit the lamp of light of knowledge of Allah and reality and truth in Ajmre, and for this lamp, Khwaja Qutub could not be diminished by fast and heavy winds, nor was he allowed to decrease the light of this lamp, and after him were his successors, Baba Faird Ganj Shaker, and also his successor, who were able to keep the light of the lamp in this matter. This lamp is found with light in this matter. The moths of this lamp are found in each and every city and village of India.

The success which was found to holy persons of Christ and for which they will feel proud, which will be less in this matter. The holy persons of Christ by character and conversation have brought such revolution that its effect is there on Indian civilization and culture, thinking knowledge and literature, poetry, in short in all parts of life there was such effect and its features which are still found in this matter.

Genealogical record : Hazrat Qutub Uddin Bakhtiar Kaki belong to family of Hussaini Sadat.

Genealogical record of his father: There is much difference about his genealogical record and his genealogical is mentioned as follows.

Khaja Qutubuddin bin Syed Musa bin Kamaluddin bin Syed Ahmed bin Syed Mohammed bin Ishaq Hasan bin Syed Maruf bin Syed Ahmed bin Syed Raziuddin bin Syed Husam Uddin bin Syed Rasheeduddin bin Syed Abdalla Jaffar Maruf bin Ali bin Ali Alnatqi bin Syedna Taqi Aljawad Abu Jafer bin Syedna Ali Reza Syedna Musa Kazim bin Syedna Jaffer Sadiq bin Syedna Abu Jafer Syedna Mohammed Baquer bin Syedna Ali

Ausat Imam Zainal Abideen bin Syedna Imam Hussain bin Imam Aulia Hazrat Ali Karam Allah Waj.

His geneological record is added as follows from book 'Sair-Alaqtab'

Hazrat Bakhtiar Kaki bin Syed Musa bin Syed Ahmed bin Syed Kamal bin Syed Mohammed bin Syed Ahmed bin Syed Ishaq bin Syed Maruf bin Syed Ahmed Chisti bin Syed Raziuddin bin Syed Husamuddin bin Syed Rashiduddin bin Syed Jafar bin Hazrat Imam Mohammed Naqi Aljawad bin Hazrat Imam Ali Musa Reza bin Hazrat Imam Musa Kazim bin Imam Mohammed Baquer bin Hazrat Imam Zain al-Abideen bin Hazrat Syedna Ali Karam Allah Waja.

Birth: His birth date is glad-tiding as soul-pleaser. And a message of peace and amity. It is the prelude to pleasing and happiness in spirituality. When he was in the womb of his mother, and from that time on, his holiness and excellence prevailed, and his mother told about him, during the pregnancy period, when she would wake for Tahjud supererogatory prayer in the early morning time, she used to hear the sound of 'Allah al-

Allah', and it would be for one hour from her womb.

During midnight, Hazrat came into this mortal world. And there was light full around his house. And due to light, his mother thought that there was sun rise at that time. So his mother was surprised in this matter. Her mother saw that Hazrat's head was in prostration. And by his tongue of favor, he was saying Allah, Allah. After some time, when Hazrat left his head from prostration, that light was no longer in the house. There was an invisible call in which it was said, "The light which you have seen is from is one from the secrets of reality and which have been put in the heart of your son."

He was born in the place Awash. This place was find in the suburbs of Baghdad. This is also shown in the Persian area. Some have written Awash in village of Marwa Al-Nahar. Some have written in Tawaba Jan of the Fargana region. Prince Dar Shikwa has written he was born in Awash in the area of Fargana in Toba Ind Jam.

Birth place : His birth place and relation of his family is connected with Awsah Fargana and that village known is as Towaba Indjam.

Date of birth: About his date of birth, there is much difference in this matter. His date of birth is 569 Hijri.

Name: His name is Qutubuddin, but some think his name is Bakhtiar, and Qutubuddin is a title given by Allah.

But the reason for his calling Bakhtiar is that his spiritual master Hazrat Khaja Moinuddin Chisti used to call him Bakhtiar, and for this reason he was well known by this name of Bakhtiar.

He was pledged at the hands of Hazrat Khaja Moinuddin Chisti, as he has pledged in the Sufi Chisti chain, so he was called Chisti.

Title: His spiritual master, Hazrat Khaja Moinuddin Chisti, was given the title of Qutub al-Aqtab.

His family name is Kaki. And for his calling as Kaki, there are some reasons in this matter. When Hazrat Qutubuddin Kaki began living in Delhi, he had disconnected

resources of manifestation. He passed life along to family members in poor living conditions. Hazrat Khaja Qutub used to live in conditions of engrossment. His wife used to arrange food and drink in the house. There was one grocer, and his name is Sharafuddin. And who used to live in his neighborhood. And Hazrat's Qutub's wife used to purchase on credit from the wife of the grocer and upon receiving the amount she will use it to give amount to her in this matter. And there was happening such dealings.

One day the wife of the grocer taunted her "If there is no credit from her side, how will her work be done?." And this saying was not liked by the wife of Qutub Sahib. She discontinued taking grocery goods from her. When this matter was known to Qutub Sahib, he advised her wife to stop taking credit. But in case of need, by telling Bismilla to take away bread from the window in this matter. And her wife began doing this. Once she told this matter to wife of grocer, then breads were stopped to come from an unseen source.

Dar Shikwa has written about his calling Kaki is called for this reason when Hazrat Qutub began residing. He then did not receive any victories amounts from anyone. Hazrat always used to live in engrossment, and his boys used to pass the life in poor condition. He used to take grocery items from the grocer's wife on credit in case of hunger. And who was living in his neighborhood. And in this way, he used to live his life there.

One day the wife of the grocer told her " If she will not live in the neighborhood, then your condition will be very bad." This saying was not liked by Qutub Sahib's wife. His wife decided not to take credit, and one day this event was known to Qutub Sahib. He told his wife she did not take a loan from anybody. Upon need, put your hand in the window of the room and take away cooked bread as per need, and use it yourself and give it to others in this matter. After this, he used to take away bread as per his needs. And those breads are called Kaki.

The second reason for calling Kaki is that one day Amir Khusro asked Hazrat Nizamuddin Auliya why Khaja Qutb is called Kaki.? And

Sultan of the learned persons said, "One day he was present at the Shamsi water reserve in Delhi along with his friends, and there was movement of cold wind there at that time, and at that time friends have told me, "It was good if there would be hot bread there. Upon hearing this Qutub, Sahib went inside the water, and from there he began giving hot bread to the friends. And so from that day on he became famous and well known as Kaki.

Start of his life: He was brought up in the shadow of the protection of his parents and his father and mother were both proud of him. They used to think blessing the house was due to the milk-feeding boy.

First shock of life: Still his age was one and a half years old, then his father left this mortal world.

Brought up: There was all the burden to brought up by Qutub Sahib on his mother, and she thought about his education and training as her holy duty, and his beginning part of the education was done by her mother.

Recitation of Bis Milla in the year 1177 A.D./573 Hijri

When Qutub Sahib was 4 years, 4 months, and 4 days old then his mother began worrying about his ceremony of recitation of Bis Milla. By chance in those days Hazrat Khaja Moinuddin was staying in Owesh. He came there by his tour and traveled to Owesh. There was fame for his holiness all over Owesh City. The mother of Qutub Sahib thought the stay of Hazrat Khaja Moinuddin Chisti in Owesh was a good for prediction for his son. She has decided to recite his son's Bis Milla ceremony by the holy saint of time Hazrat Khaja Moinuddin Chisti. And she has sent Qutub Sahib in the presence blessing of Khaja Sahib for the recitation of Bis Milla ceremony.

Gharib Nawaz wanted to write on the slate of Qutub Sahib, then he was heard an invisible call in which it was told "Oh Khaja now stop writing as Qazi Hameed Uddin Nagori is coming there. By this time, Qazi Hameed Uddin Nagori came there and he was asked what to write on the slate. And Qutub Sahib told him to write "Subhan lazi assara

biebadihi lilan min masjid haram." Qazi Sahib was surprised to hear this and he has asked this verse in the 15th part of the Quran. When you have read the Quran. Qutub Sahib replied "My mother has memorized 15 parts of the Quran. Which I have memorized due to the education of Allah in the stomach of my mother." Upon hearing Qazi Sahib write from "Subhan lazi assara biebadihi lilan min masjid haram" till the end of this verse. He has memorized the Quran to Qutub Sahib within four days.

Admission to the school: When Qutub Sahib was five years old then his mother wanted to admit him to the school. This is an occasion of happiness. On this occasion his mother arranged a party. And sent Qutub Sahib to the school of the locality with some sweets and some money and sent through by the servant. On the way one holy person met Qutub Sahib. And the holy person has asked the servant "Where are you taking this lucky by eternity?" And he told him he was taking him for admission at the school in the locality. The holy person told him and by pressing to take him to Aba Hafaz, as he is

perfect. And the education of this boy has connection with him in this matter.

As per the advice of the holy person Qutub Sahib went in the presence of Aba Hafaz instead of the local school teacher. When he was reached there then he told Aba Hafaz "To give proper education to this boy. And from him there are required many works to be done."

Upon handing over the Qutub Sahib to Aba Hafaz that holy person left from there. Upon going of the holy person from there Aba Hafaz asked the servant "Whether you know who was this holy person?" And he told him "I do not know about him." And Aba Hafaz told him "He was Khaja Khizer."

Search of the reality: Hazrat Qutub Sahib in search of reality left his country. And he was reached in one city. He was staying in that city. There was one mosque out of the city. And there was one higher minaret in the court yard of the mosque.

Hazrat Qutub was known to pray by performing two rakats in the previous night and by climbing on the minaret and that

person can meet Khaja Khizer. Qutub Sahib thought this was a good chance for him, and he performed two rakats of prayer and recited prayers on the minaret and got down from the minaret, and he began waiting for Khaja Khizer there. There was no one in the mosque. And he came out of the mosque. He has seen one holy person. That person asked Qutub Sahib what you are doing here in the desert.?

Hazrat Qutub told him about his penetrating prayer to meet Khaja Khizer there. Upon hearing this, the holy person has asked, Do you want the world.? And Khaja Qutub told "No," then the holy person told them they were in debit of any person. Hazrat told "No," then that holy person, by pressing in this matter, has asked him why he wants to meet Khaja Khizer.? "Why are you searching him? He is also engage in wandering endeavors like your example." So in this city, there is one holy person who is engaged in the worship of Allah. He has desired to meet him (Khaja Khizer) seven times, but his wish was not fulfilled in this matter.

There was conversation there, and at that time one more holy person came there from out of the mosque. And he stood near the first holy person, and he caught the hand of Hazrat Qutub, and he told the first holy person, "He did not want the world, or he is not in debt to any person. And he is only desire of meeting with you."

When Qutub was hearing this, then he was very happy in this matter and he was able to learn that the first holy person is an invisible person, and another person is Khaja Khizer. And by this time he has seen that both of the holy persons were vanished from there.

Pledge in the year 1186/582 Hijri : Khaja Bakhtiar Kaki wanted to become a disciple, and at that time there was one Mahmood Asfahani who was the complete Darwesh person of his time. And Qutub Sahib has deep relations and devotion with him. And he wants to pledge at his hands. But it will happen such thing, which is desired by Allah in this matter. And in those days, Khaja Moinuddin Chist reached Asfahan for a tour and travel. When Khaja Qutub was able to know, there was a desire for him to meet.

And he went in the presence of his blessing. At that time, Khaja Ajmari was wearing Do Tai on, which he was given to Khaja Qutub. The meaning of giving of Do Tai is that Khaja Ajmari has accepted the pledge of Khaja Qutub. Khaja Qutub did not tolerate separation from Khaja Ajmari, so he began living in the company of Khaja Ajmari. And also began living with him during his tour and traveling.

Journey with spiritual mastar: Khaja Ajmari packed his traveling bag, and he has reached Makkah to visit Kaaba from Asfahan, and Qutub Shahib was with him. About this journey, Khaja Qutub said that "When this well-wisher who was with Khaja Moinuddin Chisti with his journey to Makkah. One day in our journey, after our morning prayer, we have reached one city. And where we have met one holy person there. And who was in condition in etekaf (retirement, seclusion (for devotion, in a place of worship, especially at Mecca), to seclude oneself in the masjid with the express intention (niyyah) of I'tikaf, for the remembrance of Allah during Ramazan). In one cave like dry wood by opening his eyes in the air, and he was standing and found in

the condition of surprise. And we were with him for a period of one month. In that period, he came in condition of consciousness, and then we stood and said salam to him. He replied, and he said, "Oh dears, there will be sadness for you from this condition. But due to your sadness, there will be salvation for you in retribution. Because people of holy persons say that one who serves darwesh persons will be well known. In short, he asked us to sit down. Then we have sat down there. Then he said, "I am the son of Shah Aslam Toi. And since 30 years, I am in a condition of surprise. I do not have news of day or night in this matter. For your sake, Allah brought me in condition of conscious. There will be difficulty for you to come here again. When you have put your step in the way of mysticism, then due to human desires, do not pay attention toward the world. And have retirement from mankind. And whatever you get to spend the same. And do not keep any amount from it as storing is not good. And except Allah, do not engage so that you do not become in an unwell condition. That person, upon giving his advice, went back in his condition of surprise.

Visit of Makkah in the year 1187/583

Hijri: Hazrat Qutub reached Makkah in 583 Hijri along with Khaja Moinuddin Chisti and was blessed with the visit of Kaaba.

Arrival in Baghdad in 1189/585 Hijri:

From Madina along with Khaja Moinuddin Chisti reached Baghdad and upon reaching there he stayed in Baghdad for some days.

Caliphate: The details of becoming a disciple and caliphate of Hazrat Qutub are as follows.

Hazrat Khaja Moinuddin Chisti has seen the prophet and the souls of the other holy persons in his dream continuously for a period of 40 days. He was seen by him he was saying as follows.

“Oh,Moinuddin, Qutub is a friend of Allah. And give him caliphate and wear him Qirqa (saintly dress).” One day Khaja Moinuddin said to night I have seen Allah in my dream and there was given order, “Oh Moinuddin, give Qirqa and caliphate of darwesh persons to Qutubuddin Bakhtiar Kaki because he is our friend as well as friend of Mohammed (peace upon him) and we have made him a holy person. And has entered his name in the

names of our friends.” So Khaja Mounuddin Chisti was taken pledge from Qutub Sahib and given him the dress of the saintliness in the mosque of Abul Lais Samarqandi. On this occasion, Shaikh Shabuddin Suharwardi, Shaik Dawood Kirmani, and Shaikh Tajuddin Mohammed Asfahani were present there.

Departure from Baghdad: At last Khaja Mounuddin left from Baghdad in the year 586 Hijiri, corresponding to 1190 and Hazrat Qutub Sahib was with his spiritual master. After leaving from Baghdad Khaja Moinddin was reahed to Chist along with Qutub Sahib and afterward he was reached to Herat along with Qutub Sahib. And from Herat, Khaja Sahib reached Sabzwar along with Qutub Sahib.

After staying for some days in Sabzwar, Khaja Sahib was reached in Lahore along with Qutub Sahib. And about this journey, Qutub Sahib said, "After leaving from Lahore in the year 587, Hijri reached Ajmare after covering a journey of two months.

Coming of Baba Farid Ganj Shaker in the presence of Qutub Sahib

After staying some days in Ajmare, Khaja Sahib left Ajmar and went to Ghazni. With him there were his devotees and disciples. There was a long time passed to visit his mother, so Qutub Sahib went to Awesh to see his mother there. When Khaja Moinddun came back to Ajmare, at that time

Qutub Sahib was coming back to India. And he arrived in Multan in 1194/590 Hijri.

In those days, Multan was the center of learning and arts and at this place, well-known holy persons and scholars used to live there. The people used to come here from long-distance places for learning of the knowledge. Baba Farid Ganj Shaker was also there in search of the knowledge. And he was staying in the mosque of 'Minhajuddin Tirmazi' in Multan.

This is an event of one day that Baba Ganj Shaker was sitting in the direction of Qibla and he was reading one book. And that book's name is 'Nafe'. When Qutub Sahib was visiting Multan, then he went inside of that mosque, in which Baba Farid was reading the book. And when he was seen Qutub Sahib, he became restless. When his look fell on the face of Qutub Sahib, and due to the effect of one's passion, he stood. And he has saluted and paid respect to him. And Baba Sahib sat at one side in a respectful way.

Qutub Sahib Sahib performed two rakat prayers of (prayers with two genuflexions

supereogatory prayers) in the mosque. Qutub Sahib asked him, "What are you reading?" And Baba replied respectfully, book 'Nafa'." Upon hearing this reply, Qutub Shahib told him by tongue of favor, "Do you know there will be benefit from this book?" And Baba Sahib told him in helpless condition, "There will be felicity for him by kissing his feet in this matter." and by saying this, he has stood in much passion and put his head on the feet of the Qutub Sahib.

The look of the chemical action of Qutub Sahib , which was already effected. So now it was difficult for Hazrat Baba Sahib to leave from the company of Qutub Sahib. Always he began living in his company. And there was much devotion of the Baba Sahib to the Qutub Sahib. Qutub Sahib, after living some days in Multan, left for Delhi. But Baba Sahib wants to go to Delhi along with Qutub Sahib. But Qutub Sahib insinuated for completion of his education. Baba Sahib was accompanied by Qutub Sahib up to his third destination, and from there he was come back to Multan. And from Multan, he went to Balqh and Bukhara. He was in restless condition to

meet Qutub Sahib. And upon reaching Delhi, he met with Qutub Sahib.

Pledge of Baba Farid in the year 590 Hijri : Hazrat Baba Sahib was pledged at the hands of reality of Qutub Sahib in the first meeting. Hazrat Nizmuddin has informed Baba Farid's age at 15 years at the time of the pledge.

Stay of Baba Sahib in Delhi: Baba Sahib stayed some days in Delhi. Upon receiving the order of his spiritual order, he went to Khandhar. And for obtaining knowledge of manifest, he has done much endeavors there. From there, upon obtaining knowledge of the manifest, he went to Iraq, Khurasan, and Mavar Al- Nahar, and by visiting Makkah and Madina and visiting holy persons, and by getting spiritual favors from them, he came back in the presence of the blessing of his spiritual master.

Hazrat Qutub Sahib was happy upon the arrival of Baba Farid Ganj Shaker in Delhi. Baba Sahib began living in one room near Ghazni Gate in Delhi. He was engaged in worship, endeavors, and mystical exercises

as per the order of the spiritual master. And in those days, Baba Sahib has done hard mystical exercises and Baba Sahib did not used to present in service of Hazrat Qutub on a daily basis, but he used to visit him after a gap of two weeks. And will be blessed by the magnificent grace of his spiritual master.

Hazrat Baba Farid still uses to engage in mystical exercises and endeavors. And during this period, Hazrat Moinuddin Chisti came over to Delhi. And he stayed in the shrine building of Hazrat Qutub in Delhi. The stay of Khaja Gharib Nawaz in Delhi was a blessing to the people of Delhi. And now spring of spiritual favor, which was near to them. And there was a raining of knowledge. And there was distribution of all kinds of wealth there. And everybody was desiring to fill the edge of the shirt of his desires. And there was the luck and fate of everybody, as well as according to his edge of the shirt in this matter.

For such time in the share of Qutub Sahib, there was such grace and wealth for which he can be proud, which will be less for him.

Hazrat Qutub Sahib has presented all his disciples in the presence of Khaja Moinuddin. Each and everybody who was blessed by favor of Khaja Moinuddin as per his eligibility and capacity in this matter.

When Khaja Mounuddin has distributed his wealth of knowledge as per his will and wish, then he himself asked with Qutub Sahib, "Is any disciple left for getting favor from his side?"

Qutub Shahib said, "Masood left as he is sitting in Chilla, also known as Chilla-nashini, is a spiritual practice of penance and solitude in Sufism known mostly in Indian and Persian traditions.

Chilla (retreat) : Upon hearing this, Khaja Gharib stood, and he told Qutub Sahib, "Come on, let us see him."

Hazrat Gharib Nawaz and Qutub Sahib went there where Baba Farid was sitting in Chilla. And upon reaching there, he was opened to the door of the room where Baba Sahib was sitting. He had become so weak that he could not stand to give respect to Hazrat Gharib Nawaz. And with tears in his eyes, he has put his head on the earth.

Upon seeing this condition, Hazrat Gharib Nawaz said, "Oh Qutub, till how long you will suffer him in the endeavors come on so that we can give him something."

Upon saying this Hazrat Gharib Nawaz caught his right hand and Qutub Sahib caught his left hand. And in this way both of the holy persons have stood him. Khaja Gharib Nawaz looked at the sky and prayed in the court of Allah for Baba Farid. Khaja Gharib said, "Oh, Allah, accept our Farid. And reach to the perfect status."

There was an invisible call: "We have accepted Farid, and he will be ahead of his time." Then he was advised Qutub Sahib and given advice to instruct him for Isam-e- Azam (

Al-Ism al-A'żam (Arabic: الْإِسْمُ الْأَعْظَمُ) literally "the Greatest Name", also known as Ism Allah al-Akbar refers in Islam to the greatest name of Allah, which is coming in Chistia by chest by chest.

For this great name, Baba Farid was a holy person, and upon his revelation of knowledge, all curtains of veils were

removed, and Khaja Gharib Nawaz was awarded Baba Farid robe of honour.

Baba Farid was given caliphate; Hazrat Gharib Nawaz was given him a turban, shawl, and other items of the caliphate.

Prediction about Baba Farid: On this occasion, Hazrat Gharib Nawaz has made a prediction, and he was addressed to Hazrat Qutub Sahib: "Oh Qutub, you have trapped one big falcon and brought under your control, and his destination will be Sidratul-Muntaha (Sidratul-Muntaha is an Islamic term that translates to "Lote Tree of the Farthest Boundary." It refers to a large lote tree that marks the limit of the seventh heaven, where the knowledge of the angels ends. The word "sidrah" literally means "lote tree" and "muntaha" means "the place of end"."

In the meeting there were found Sufi persons, great peers as well as learned persons, among them Qazi Nagori, Moulana Ali Kirmani, Syed Noor Uddin Ghazni, Moulana Mubarak, Shaikh Nizamuddin Abulmoid, Moulana Shamsuddin Turk, Khaja

Mohammed Moia Doz, and other persons who were present there.

Journey of Oush and return back: Hazrat Qutub was in restless condition to meet his mother in Oush. He went to Oush in the year 602 Hijri to kiss the feet of his mother there.

From Oush, he went to Baghdad, where he met Shaikh Shabuddin Omer Suharwardi and Shaikh Ouhd Kirmani. And he also met there other great holy persons.

In Baghdad, he was able to know by Shaikh Jalaluddin Tabrazi that his spiritual master went to India from Khurasan, and now he is staying in Delhi.

Arrival in Multan in 1214/611 Hijri: When Qutub Sahib was able to know this information, so for the fondness of meeting his spiritual master, he went to India, and with him there was Shaikh Jalaluddin Tabrazi. He arrived in Multan along with Shaikh Jalaluddin Tabrazi. This was the rule period of Sultan Altamish, and Qabacha Baig was ruler of Multan. In Multan Hazrat Bahuddin Zikeria Multani was doing work of guidance in the right way.

Request of Qabacha Baig 1214/611 Hijri:

Hazrat Qutub was going to Delhi. And Mirza Qabacha Baig wants to stop him in Multan. And he, in helpless condition, requested Hazrat Qutub to stay in Multan.

Hazrat Qutub did not accept the request of the ruler of Multan Mirza Qabacha Baig. He said, "This position was written from the world of the invisible in favor of Shaikh Bahauddin Zikeraia Multani. As well as without permission of his spiritual master Khaja Moinuddin Chisti, he will not stay at any place in this matter.

Departure 1214/611 Hijri:

Hazrat Qutub Sahib went to Delhi. And he was reached to Delhi from Multan. And from there, Shaikh Jalaluddin Tabrazi went back to Ghazni.

In Multan, people want to pledge at the hands of Hazrat Qutub Sahib; for this reason, he was prohibited to them in this matter as Multan was under the jurisdiction of Shaikh Bahauddin Zikeraia Multani.

Hazrat, when left from Multan, some persons accompany him in his journey. Hazrat Qutub

accepted their pledge out of the limit of Multan in the place of Hansi.

The dream of Qazi Hameed Uddin Nagori

Qazi Hameed Uddin Nagori was seen in a dream at that time that the shining sun arrived in Delhi, which enlightened the whole kingdom of Delhi. And which in his house and saying that he will reside in your house. And when there was knowledge of this dream, it was known that the sun is the perfect holy person who will come in Delhi. And he will reside in the house of Qazi Sahib.

Arrival in Delhi: Hazrat Qutub Sahib. Upon arriving in Delhi, he began living in the Kilo Kadi area. And his place of residence was at a long distance. And to people and even to the king, there will be a long time to travel there.

The king's request: King Shamsuddin has requested Khaja Qutub; if he will be in Maharvali area than Kilokadi, then he himself and for other people will be safe from trouble of long distance travel. And there will be no disturbance of the works of

the kingdom. And there will be much comfort to the people in this matter.

Qutub Sahib, due to favor and kindness, has accepted the request of the king Altamash. And he came to Maharvali from Kilokadi; first he lived in the baker's house. And that baker has much devotion to Qutub Sahib.

Then afterward, Qazi Hameeduddin Nagori has taken him to his house. And some days he was living in his house. Then he began living near the mosque of Azuddin.

Second request: Shaikh Jamaluddin Bustami, who was working on a higher post of Sheikh (venerable) of Islam in Delhi, and upon his death, there was the desire of King Altamash that Qutub Sahib accept this post. When King of Delhi, Altamsh, has requested with Hazrat Qutub Sahib, he has refused to accept this post. At last, Sultan Altamash has appointed Shaikh Najam Uddin Suqra as Shaikh of Islam in Delhi.

His request: Hazrat Qutub has much fondness to kiss the feet of his spiritual master. And he has sent one request in the presence of his spiritual master in Ajmare.

And in his request, he has mentioned his fondness to kiss his feet. and request to give him permission to travel to Ajmare. Hazrat Khaja Moinuddin replied to him, "Even though there is farness in the manifest way, in the way of the spiritual system, you are near. So live there."

Arrival of Khaja Moinuddin Chisti in Delhi 611 Hijri/1214

Hazrat Gharib Nawaz, who prohibited Hazrat Qutub Sahib to come to Ajmare. And he personally went to Delhi. He stayed in the shrine building of Hazrat Qutub Sahib. And was blessed with honor, and he stayed in Delhi for some days, and upon the distribution of wealth of knowledge in Delhi, Khaja Gharib Nawaz went back to Ajmare.

His arrival to Delhi second time in 621 Hijri/1224

This time Khaja Gharib Nawaz came to Delhi without informing Hazrat Qutub Sahib. And so, for this reason, he was much surprised in this matter.

This time he came to Delhi for the recognition of the farmer and to write off the land revenue of Mandan village for his son Fakheruddin.

When Qutub Sahib was aware of this, he went in the presence of King Altamash, and he was done settling the case of farmar in the farmer's favor. He obtained an order of write-off of the land revenue of the village Mandan in favor of his son Khaja Fakheruddin.

Enmity: Shaikh Najam Uddin Suqra was a Shaikh of Islam in Delhi. And he has had good relations with Khaja Gharib Nawaz for a long time. He was met with him in Khursan. In Delhi, all people came to meet with Khaja Gharib Nawaz, but Najmuddin Sugra did not come to meet with him. Khaja Gharib Nawaz was surprised in this matter. So he went to meet him at his house.

At that time he was watching making of the soofa for him. He has not paid attention toward Khaja Gharib Nawaz.

Due to the treatment of the ignorance, there was shock to Khaja Gharib Nawaz.

He was told to Najamuddin Sugra “Oh Najamuddin, what came difficulty upon you so in the pride of the post of the Shaikh of Islam you have left the humanity and old relations and contacts as well as old elegence suddenly left.

Upon hearing this, he regretted much in this matter and he has put his head upon the feet of the Khaja Sahib. And he was told him that he was sincere as before, he is now in the same position with him.

But Qubuddin spoiled my position very much in this matter. When he came here, becoming your disciple since that time. All mankind is following him. I have become a Shaikh of Islam in Delhi in name only. Nobody is following me. In this matter, there is a complaint with Hazrat Khaja Moinuddin Chisti that “He has left his disciple here. All mankind of Dehli is living at his door. And nobody did not remember him like Green Leaf in this matter, and nobody followed me.”

Departure to Ajmare: Upon hearing this, Khaja Moinuddin smiled, and he told Najam Uddin Sugra, "You don't worry in this matter. The heavy weight upon your heart and to him he is taking with him to Ajmare."

At the time of departure to Ajmare, Khaja Moinuddin told Hazrat Qutub "Baba Qutub, you also accompany with me to the Ajmare journey as some persons are angry with you."

Khaja Moinuddin Chisti at the time of his departure to Ajmare took Hazrat Qutub with him, and Qutub was left Delhi in the company of his spiritual master.

And this news spread in the whole city of Delhi. So for this reason, all people followed him in his journey. As Qutub Sahib was so much popular in Delhi that nobody did not like his separation in this matter. When this news was reached to Sultan Altamash, then he went in the presence of Khaja Moinuddin Chisti, and he told him, "Sir, do not take Hazrat Qutub from Delhi to Ajmare and allow him to live here. Hazrat Khaja Sahib did not

like to hurt the hearts of the people. When he has seen that due to the departure of Hazrat Qutub, people of Delhi are sad, then he told Qutub Sahib, "Baba Qutub, you live here. For your going people of the city are in uneasiness. I do not want to hurt the hearts by the fire of separatism of a large number of the people and make them Kabab in this matter. I have left this city in your support."

As per the order of Khaja Moinuddin Chisti Hazrat Qutub Uddin, he came back and began living in Delhi.

Fondness of kissing his feet: After living some days in Delhi, Hazrat Qutub became restless to kissing the feet of his spiritual master. He has sent his request in his presence to visit him in Ajmare. And he has received a reply from his spiritual master in this matter in which he has mentioned that there was my intention to call you here, but during this time there was received your letter, and you should have to come here as soon as possible, and this our meeting will be our last meeting in the world."

In the presence of the spiritual master, Qutub Sahib, upon receiving this reply and went toward Ajmare. And upon reaching Ajmare, he was blessed with a meeting of his spiritual master. And he began living of blessed presence. The details of the last meeting are written by Khaja Qutub as follows.

“Upon saying this, Khaja Moinuddin Chisti began weeping. Khaja Sahib said, “Oh, Darwesh, the reason for which I was sent to this land is that there will be found his grave at this place and in a few days we will travel.”

Handing over of relics: In this meeting, Hazrat Khaja Moinuddin Chisti began issuing orders, which Hazrat Qutub began writing as follows.

Shaikh Ali Sanjri was present there. He was given an order to him to write the orders. There should be given to our Qutub Shaikh Bakhtiar Kaki that he should go to Delhi. We have given him caliphate. And we suggest he stay in Delhi. And when the order was written, it was given to this well wisher. I have paid the respect. There was an order to

come near me. And I went near to him. He has put a turban and cap on my head by his holy hands. There was given staff and saintly dress of Khaja Haruni to me. Also given the Quran and prayer carpet. He said this holy entrusted things of the holy prophet of Allah. And which was reached to us through shaikhs of the Chistia chain. I am giving you. It is a must for you that, as we have kept all these things, you must also take care in this matter. So that there should be no regret to me on the day of the judgment in this matter. Hazrat Qutub mentioned that after this well wisher again paid respect and performed two rakat prayers of thanks.

He said to go and I have given you status of respect and saintliness.

Advice of spiritual master :The spiritual master of Qutub Sahib, Khaja Gharib Nawaz adviced him and in which there are four things are very good among them. And upon acting them then there will be good and blessing. The four things are as follows.

1. There should be such darweshi from which there should be shown richness.

2. To fill stomach of hungry persons.
3. To be pretend happiness in case of sadness.
4. If any person have behavior of enmity then in its reply, show his friendship.

Pray of the spiritual master: This is the event of the last meeting. Khaja Gharib Nawaz told Qutub Sahib to come, and Qutub Sahib went forward and kissed his feet. And Khaja sahib, upon recitation of Fataha of blessing and he told, "Don't become sad and become a brave person"

Retrun from Ajmare: Qutub Sahib by saying good bye to his spiritual master and come back to Delhi. And he lived in Delhi. And spent his remaining life in Delhi.

Great shock: 20 days upon departure of Qutub Sahib from Ajmare Khaja Gharib, Nawaz left this mortal world.

His dream: When he received news of the death of Khawaja Gharib Nawaz, he slept on the prayer mat after prayer in sadness and grief. He was seen his spiritual master in his dream. And he kissed the feet of his spiritual and asked him details. And he said, "Allah has given him blessed with special grace.

Near the place of the angels and residents of the sky there was allotted his place and I am at this place."

Wives and sons: His first marriage was done in his native place Awash. His mother was done marrying him with one woman, and after three days, Khaja Qutub divorced her. And due to this marriage, there was disturbance of his daily recitals. And he did not like this matter.

There was daily recitation of the blessing on the prophet of Khaja Qutub Sahib that before his sleep he used to recite blessing upon the holy prophet 3,000 times. And after marriage, he could not recite blessings for three days.

On the third day, his one disciple, Rais Ahmed, who has seen in a dream that there is a grand palace and there are many of the people, and one person whose face is visible light, is coming and going inside the palace by taking messages of the persons inside and coming back from the replies from inside.

Rais Ahmed, upon hearing this, went to Abdulla bin Masood. And requested him to

pass his message to the prophet that he is fondness to look the sight of him. Abdulla Masood took the message and went in to the palace. And brought the message from inside that still that person is not having eligibility and suitability of his look in this matter. Convery my salam to Qutubuddin Oushi. And tell from his side that there will be sent by him his gift every night to me, but what is the reason in this matter why he has not sent it to him since three nights?"

When Rais Ahmed was woken up, he was eager to pass the message of the prophet. He went in the presence of Khaja Qutubuddin and explained to him his dream. When he heard the message of the prophet, then he stood, and he asked Rais Ahmad what he had told.? Rais Ahmed told him, "The gift that you used to send to me, why are you not sending it since three nights?"

Hazrat Qutub Sahib understands well what the meaning of gift is in this matter. Due to his marriage, the sending of the blessing recital was stopped for 3 nights in this matter.

Khaja Sahib, with which he has married the woman called her, was given her mahar (In Islam, mahr is a mandatory payment or gift that the groom makes to the bride as part of the marriage contract. It's a sign of respect for the bride and recognition of her independence. The bride receives the mahr as a right, and can spend it as she wishes) amount, and was given divorce to that woman. Then he was engaged in his recital, and after that, he did not marry again for a long period of time.

Second marriage: He was married a second time upon his residing in Delhi. And this marriage he was done in the last part of his life. There were born two boys to him. 1.Ahmed 2.Shaikh Mohammed. And he died when he was seven years old. Upon his death, when there was a weeping sound from his wife, he asked Shaikh Baderuddin why there was a weeping sound coming from our house.? And he told him that his son Shaikh Mohammed left this world. And his mother is weeping."

Upon hearing this Qutub, Sahib said that he "Regrets that there was no news to him. If he

would know in this matter, then he will ask the life of Shaikh Mohammed from Allah."

Upon consoling his wife, he was engaged in the revelation again in this matter. His race continued with his elder son Khaja Ahmed, and he was well known as Ahmed Tamachi. And he was a great holy person.

Burial place: Before death, on the occasion of Eid, while returning from there, he went to one uninhabited and deserted place, and this is the place where his tomb is situated in Delhi. At that place he was engaged in thinking for some time, so the companions who were with him have asked him, "Hazar, what are you thinking in this matter.? And he said, "From this land I can smell the hearts of the people. Present owner of the land." The landowner came there, and he purchased the land from his special personal purse. He considered this land for his grave and pure tomb in this matter.

Excellance of burial place: The land where there is a grave of Khutub Sahib is found has special excellence in this matter. Once the throne of Prophet Sulaiman was reached

there by flying, where there is the grave of Khutub Sahib. He was surprised to see that there is light from earth to the sky. And angels were bringing trays of lights from the sky and putting on the earth. Hazrat Sulaiman has asked for this beautiful place and of house that belong to whomever the holy person's residence or burial place is?. The angels told him, "This place of residence and burial belongs to Allah's beloved person of Allah, Hazrat Khaja Qutubuddin, among the nation of the last prophet of Allah, Mohammed, peace be upon him and he will be taking his final resting place in this matter.

Last days: One day there was a meeting of ecstasy in the shrine building of Shaikh Ali Sanjari. The holy persons of condition and perfect were present in the meeting place. Hazrat Qutub was also present in the meeting place. The choristers were singing the following couplet.

Where can you see the love of your sight?
Where did you get rid of the package?

There was prevailed rapture upon Qutub Sahib. And the choristers were repeated singing this couplet for some time. And after that, the choristers began singing the ode of Ahmed Jam. when Slahuddin and his sons Karim Uddin and Nasir Uddin began when recited following couplet.

Kill the surrender dagger.
Any time is absent from another life.

So for this reason, it prevailed upon Hazrat Khutub Sahib as such rapture that he became unconscious. Qazi Hameed Uddin Nagori and Shaikh Baderuddin Ghazni, who have asked poets to repeat in such condition the couplets at that place. So then there will be prevailed ondition of rapture upon Qutub Sahib in this matter. For a period of four days, such conditions prevailed upon him. Hazrat used to become unconscious, and he will become normal at the time of prayer, and he will perform the prayer, and then there will be a prevail condition of rapure upon him.

On the third day constanly began coming from his mouth the recitation by the name personality of Allah in this matter. And

constantly began falling of the drops of blood on the earth, and from that blood there will be formed painting of Allah. And from that lovely decoration there will be heard sound of Allah. And on the next day, there will be a constant heard sound of 'Subhan Allah' from his mouth. And drop blood, which will be formed on the earch of decoration of 'Subhan Allah'.

The singing of the choristers were continued when they sang the first couplet, then Khaja Sahib's soul would disappear from his body. And when they sing the other couplet, then his soul will come back in his body when Hazrat wants to cry of pain or wants to make a slogan. Then Qazi Hameeduddin Nagore will close his mouth. And used to say to him "Whether you want to burn the whole world in this matter." His mouth was closed in this matter, but his body was burned down. Upon seeing his pulse beating, Hakeem Shamsuddin said, "This is a case of illness of love. The fire of love, which burned down the heart and liver of him completely. And now there is no way to cure him."

Upon him on the 10th Rabbil awwal, there was prevailed such condition. And for four days and nights there was such contempt upon him. In the fifth night when the repetition of first couplet, then at that time Hazrat Qutub Sahib on 14th Rabbil Awwal in the year 632 Hijri, corresponding to 27 November in the year 1225 A.D. left this mortal world.

Due to the sadness of the death of Qutub Sahib, there was prevailed sadness and grief in the general public in Delhi, so it caused uproar in the city. Sultan Altamash, Fakirs of Delhi, shaikhs and Sufi persons, public and general persons. In short, all of them joined in his funeral prayer.

Final advice of Hazrat Qutub Sahib: When the funeral was ready, then Moulana Abu Saeed told about the final advice of Qutub Sahib in this matter. He said, "Our Khaja Sahib told me to lead his funeral by such person, who did not have done anything illegal act anytime. And from his Sunah prayer of Asar did not lapse as well as first takbir (It is a common Arabic expression, used in various contexts

by Muslims and Arabs around the world: in formal Salah (prayer), in the Adhan (Islamic call to prayer).

Funeral prayer: When people were able to know the final advice, they were surprised in this matter. Who is that lucky person?. And who will lead Khaja Sahib's funeral prayer.? There was silence prevailed for some time. And at last King Altamash came forward, and he said, "I do not like this is known to anybody, but there is required a final wish of the Hazrat Quutb Sahib.

Sultan Altamash has led the funeral prayer.

Procession of the funeral: There were a large number of people in the procession of the funeral. And after the performance of the funeral prayer, Sultan Altamash has lifted with the support of the funeral on his shoulder at one side, and the other three sides supports of the funeral were lifted by the people of the Delhi on their shoulders. He was buried at the place where he had selected the land for his final resting place during his life.

His tomb of light is situated in the Meharwali area near New Delhi and is visited by special and general persons. Every year his annual Urs (death anniveray) is celebrated on the 13th of Rabbil Awwal month in Maharwali with much pop and show. On such a date, there will be celebration of his Urs on his chilla Gah (Chilla Gah is a meditation site) in Ajmare.

This is the event of one day that Baba Farid, who was in the presence of his spiritual master, Hazrat Qutubuddin suddenly he stood and asked his permission to leave for Hansi. Hazrat Qutub has much love and affection for Baba Farid. There came tears in his eyes, and he said, "Oh Farid, but you go." Hazrat Baba Farid told him, "He will do as per his order." Hazrat Qutub told him: "Go what I can do in this matter. There is willininess of nature in this matter that you will not find at the time of my death. I was also not present at the time of the death of Khaja Moinuddin."

Hazrat Qutub told as such, and then he lowered his head in strange thinking in this matter. Then he raised his head and told the audience, "Come on, we all together pray for this darwesh's progress of grace of both worlds and firmness and recite verse Fataha and verse Akhlas. All were recited verses Fataha and Akhlas. Hazrat Qutub Sahib also

recited verse Fataha and verse Akhlas and prayed for the well-being of Baba Farid. And he said, "May Allah add you among great shaikhs and reach you in the category of the persons of content." Then he has given his special prayer mat and staff to him.

And told him, "I will give you a prayer carpet, saintly dress, turban, and sandals that were reached to me by the hands of holy saints of Chist, which I will give to Qazi Hameed Uddin Nagori, and when you will come to my grave from Hansi on the fifth day of my death, and who will hand over these things to you there and wear your saintly dress. Think of my place as your place in this matter. You will sit at this place with fondness and comfort."

And give guidance in the right way and from your favor, give benefit to general and special persons.

When Hazrat Qutub Sahib finished his conversation, there was a loud and crying in the meeting place. And people of the meeting began weeping. All were prayed for the well-being of Baba Farid Ganj Shaker.

Advice: In the meeting place in which Hazrat Qutub died, and in that meeting he was given his final advice to Qazi Hameed Uddin Nagori and Hazrat Baderuddin Ghaznavi to hand over relics of holy saints of Chist that are given by him to Baba Farid when he will come on my grave upon my death. And pass entrusted things to Baba Faird with much respect. And wear his saintly dress to him.

Hazrat Qutub has shown relics special saintly dress, staff, wooden sandals, double needles in the meeting to Qazi Hameeduddin Nagori and Baderuddin Ghaznavi.

Dream: In the night when Hazrat Qutub left this mortal world, and in that night, Baba Faird has seen a dream that Hazrat Qutub is calling him.

This dream was an engouh sign for him, and he was able to understand that Qutub Sahib left the mortal world. He was in great difficulty and in worry condition and in surprise, Hazrat Nizmuddin left from Hansi to Delhi. And there was running a river of tears from his eyes. On the other side, Qazi

Hameed Uddin Nagori has sent messenger on the morning to bring Hazrat Nizmuddin to Delhi from Hansi, and who has given a letter to him in which there was news of the death of Hazrat Qutub.

Hazrat Baba Faird was reached to Delhi on the fourth day. And on the fifth day he has visited the tomb of light of Qutub Sahib.

Hazrat Qazi Hameed Uddin Nagori, and Hazrat Baderuddin Ghaznavi, as per the order of Hazrat Qutub, have surrendered all relics to Baba Farid.

Hazrat Baba Farid has worn the saianlty dress of his spiritual master. And prayed two rakat on that prayer mat. And he has stayed in the house of Shaik Qutub. Upon living some days in Delhi, Baba Farid returned back to Hansi. He said, "The grace which Allah has given him and which will be with me whether I live in the city or the jungle."

Pure biography: Hazrat Qutub Uddin Bakhtiar Kaki. He is deputy of the prophet of Allah in India. He is the successor and first caliph of Hazrat Khaja Moinuddin Chisti and Qutub

(Qutb, Qutub, Kutb, Kutub or Kotb (Arabic: قطب) means 'axis', 'pivot' or 'pole'. Qutb can refer to celestial movements and be used as an astronomical term or a spiritual symbol. In Sufism, a Qutb is the perfect human being, al-Insān al-Kāmil ('The Universal Man'), who leads the saintly hierarchy. The Qutb is the Sufi spiritual leader who has a divine connection with God and passes knowledge on which makes him central to, or the axis of, Sufism, but he is unknown to the world. There are five Qutbs per era, and they are infallible and trusted spiritual leaders. They are only revealed to a select group of mystics because there is a "human need for direct knowledge of God".) of shaikhs. Hazrat Shaikh Abdul Haq Muhadit Dehlavi was written about him as follows.

"He is among the great holy persons of Allah. As well as glorious Sufi personalities." There is no doubt and suspicion about his greatness and eliteness. As well as there is no difference in this matter."

"All shaikhs of his time who were his devotees and who were among his circle of devotion. And all were people of dignity and

holders of great status and ranks. His prayers will be accepted by Allah. Whatever he will say by him, which will happen like that in this matter. The person who will live in his company will then become a personality of saintliness. When he will look at any person, then that person can observe things from empyrean to neither region.

Worship: He will find much fondness in the worship. He was a Quran-conner, and Hazrat Qutub used to finish one Quran on a daily basis. He used to engage in the worship by hiding from the people. He will always be punctual and alert for the five daily congregational prayers. And in addition to this, Hazrat Qutub used to perform 300 Nafl (What are Nafl Prayers? Nafl prayers or not obligatory prayers, as the nafl means extra, which is not obligatory but voluntary or optional. If you pray the nafl Namaz, you will get extra reward from Allah, but if you don't pray, that doesn't mean you are sinful because it's optional.) rakats of prayers daily. At the time of sleeping, Hazrat used to recite a 3,000-time blessing on the prophet.

Loneliness: Hazrat Qutub used to like loneliness and isolation. His has the habit of less eating, less sleeping, and less talking, and he was connected with the creator and kept away from mankind.

Hazrat Gesu Daraz has written about him that "He used to find always silence, and Hazrat used to pass much of his time weeping and wailing. And he used to live alone in the room by closing the door. And live away from the people.

Shaikh Noor Baksh has written about him that "Hazrat Qutubuddin Bakhtiar Kaki was among mystic initiates, and asectics and Mujahid. (Original meaning: In Arabic, the word "mujahideen" means "strivers" seeking godly rule or right conduct. Jihads originally included "right conduct," such as giving money to the poor.

And used to live in loneliness and alone life. He used to eat less, sleep less, and talk less. He was used to engrossed in the worship in the hidden way. He will try to hide his condition and his works."

Night awakening: In the beginning of life, he used to sleep in the night for some time and take some rest for some time, but in the last period of life, he has left night sleep and rest. Hazrat used to keep awakening in the night and engaged in recitation of the holy Quran and remembrance of the Zikr Jali (Zikr recited aloud) and Zikr Khafi (Zikr Khafi, that which is performed either with a low voice or mentally.).

Poverty and hunger: Qutub Shahib was proud of his poverty and hunger. His life will be passed by severity and tightness. There will always be no food for his family members, and his people who are attached to him will usually be facing hunger. But they will not disclose that there will be hunger in the house. In the conditions of poverty and hunger, they will not leave the edge of the shirts of patience and thankfulness. In the beginning of his life, there was not a piece of cloth spread in his house for serving dishes in, plates, and cups.

Refuse to accept presents: Hazrat did not accept presents, and there is an event of one day that King Altamesh has sent in his

presence some rupees and gold coins. And he has requested him to accept his present, but Hazrat did not accept.

Following of the great spiritual masters: Qutub Sahib used to think following of the great spiritual masters as proud and slavation for him. And in this matter he used to engage in severe endeavors. This is an event of time that the minister of King Altamesh came in his presence and gave him an order of allotment papers for six villages and one tray full of gold coins, and the minister told him that there is a desire of King King Altamesh that you accept it. it. This is for your servants and sincere persons. And at that time, Baba Farid was also present there.

Hazrat Qutub smailed and said, "My spiritual masters did not accept such things. And I also did not accept. Today if I will not follow them and accept villages and gold coins, then how will I face my spiritual masters at the day of judgement? And how I will be entered in the category of them."

Engagement: Hazrat Qutub used to be engaged day and night in engagement. At the time of prayer will open his eyes and he will have taken a bath with fresh abulution and performed the prayer. The condition of his engrossment was such that when any person came to visit him, he would used to wait in this matter. And upon informing him, he will come back in normal condition. The condition of his intoxication and ecstasy was such that one time he was in such a condition of surprise for seven days and nights. And he will become normal after prayer.

Trust in Allah: Hazrat used to be kept away from mankind. Baba Faird has said that "Hazrat Qutub's trust in Allah was real trust." He lived in the turst of Allah for a period of 20 years. And he did not keep relations with anybody. The system of expenses of the kitchen was run as such that when there will be a requirement, a servant will come in his presence, and Hazrat will give him a sign to take money as per his requirement. When there will be a requirement of Sufi persons, then he will take money under his prayer mat and give it to the servants. And for daily expenses, all this

money will be spent. No needy or traveler did not go empty handed from his door.

Keeping hidden his condition: Hazrat Qutub Sahib did not used to know his condition from other persons. Asetic, mystical exercise, worship, and endeavors, which he used to hide. And used to advise this to his disciples. One time Baba Faird asked his permission for Chilla Kashi. Chilla (Persian: چله, Arabic: أربعين, both literally "forty"), also known as Chilla-nashini, is a spiritual practice of penance and solitude in Sufism known mostly in Indian and Persian ritual, traditions. In this ritual, a mendicant or ascetic attempts to remain seated in a circle practicing meditation techniques without food for 40 days and nights in imitation of the Arba'een, and he was not given his permission and told him, "There is no need for it. Because by such matters there will be name and fame. And for fakirs, name and fame are problems for them and among our peers, they peers, they did not have done such things."

Fondness of the Sama meetings: Qutub Sahib has much interest and fondness. And

from Sama his nature will not be satisfied. And in Sama there will be a prevailing condition of ecstasy, then he will stand and begin dancing in the courtyard. But at that time of prayer he will come back in normal condition and he will perform prayer, and then there will prevail the same condition upon him.

This is an event of one day that there was progress of the Sama meeting and Hazrat Qutub Sahib was present in the meeting. When choristers were singing the one couplet in the Persian language.

And upon hearing this couplet there was a prevailed condition of rapture. And he was unconscious for a period of seven days and at the time of prayer he will become in a normal condition and used to perform the prayer.

His fondness of knowledge: Hazrat Qutubuddin Bakhtiar Kaki was also a great author of his time as well as a poet.

Dalail Arifeen: And in this book he has recorded Malfuzat (The *Malfuzat* records the teachings of mystic or Sufi saints and of

the pirs and the sheikhs.) of his spiritual master.

Zubadal Haqaiq: This bookbook is not published.

Risala: He has compiled this book named as Risala.

Mathnavi: There is one Mathnavi (a kind of poem written in rhyming couplets, or more specifically a poem based on independent, internally rhyming lines.) book connection with him.

Diwan (poetry) A Diwan (Persian: دیوان, divân, Arabic: دیوان, dīwān) is a collection of poems by one author, usually excluding his or her long poems (mathnawī).

There is one Diwan in Persian that is published. And in this book it is mentioned as Qutub al-Deen or Qutub Deen. And in his poetry he has mentioned the truth, MONOTHEISM, (*TOWHID*) and knowledge, reality and Ma'rifa is a central tenet of Sufism that embodies the notions of "gnosis" or "experiential knowledge. It is considered the ultimate pinnacle of the spiritual path.

His teachings: In the teachings of Hazrat Qutub, there is a solution to the problems of the present time. His Malfuzat of blessings was collected by his first caliph and disciple, Hazrat Nizmuddin Auliya, who complied in the book 'Fawad Salikin' from the meetings of his spiritual master. And from following there will be known Hazrat's teachings, importance, and benefits in this matter.

The duty of the spiritual master: The spiritual master has such power and checking authority with him that when a disciple will present in his presence for becoming his disciple, then by his first look to take out the filth of the world from his chest for all reasons and clear it, there will be no ill-will and clour of the likeness of the world. And blessed him by his pledge. And bring toward Allah. If there will be no power in the spiritual master, then understand that both the spiritual master and disciples are both in the deserts of ignorance in this matter.

Custodian of the shrine building: Hazrat Qutub Sahib has mentioned a meeting of Hazrat Shibli with his meeting of custodian of

the shrine building and his specificity in the following words in this matter.

“Oh, Shibli, the person who sits on the seat of custodian, then he should have power with him to hold the hand of the other person, then he should have power with him, and the person of power should make him custodian of the shirne building in this matter to the person who holds his hand.”

Perfection of the person: Hazrat Qutub Sahib has written, “The persons of mysticism who have written that the perfection of the person will depend on four things. By less sleeping, less talking, less eating, and to have less company with mankind. So he never gets gem of the Darweshi. The group of Darwesh persons is such a group that who made sleeping illegal for them. And company of mankind is worse than snake.

Filth of the world: Hazrat Qutub told Baba Faird, "Oh, Darwesh Prophet Jesus, who was perfect in Tajrid and Tafrid are both Islamic concepts that relate to isolation and seclusion. When he was taken to the sky, then there was a call that he should be kept

alone. As filth of the world is still with him. Prophet Jesus was surprised in this matter and he has seen saintly dress of the world. And he has found in his saintly dress one needle and wodden bowl. He has asked Allah "What he will do with these things." And there was revelation to throw them. Then he was removed these things, and he was brought to pass to the sky. Upon saying this event, he said "Oh, darwesh, when there will be such low and small things, when there will arise objection to such a great prophet of Allah, so there is regret to such a holy person who is effected full in the world."

Taslim and Reda (the fact of being pleased or contented; contentment). Hazrat Qutb said, "When upon the throat of Hazrat prophet Yahiah has put a knife and began cutting his neck, then he wants to cry with pain and request in this matter. And at the time angel Gabriel came there, he said, "He says if you cry or complain, then your name will be removed from Jarida (Periodical) of the prophets. Hazrat Yahiah upon hearing this order of Allah, and he did not do anything, and with patience, he was given his life.

Event of Hazrat Zakeria: Hazrat Qutub then he has told event of Hazrat Zakeria that “When there was saw put on holy head and then it began cutting him and he also want to cry due to pain. Then at the time angel Gabriel came there, he said, “Allah says if you cry or make complain, then your name will be removed from Jaridi (Periodcal) of the prophets. Upon hearing this order of Allah, he did not do anything, and with patience, he was given his life. And his body was cut into two pieces.

The method of Rabia Basri: Hazrat has said that “There was a method with Rabia Basri that upon the day when there will be a prevailed problem upon her, then she will become happy in this matter and she used to say that friend has kept him remembering her in this matter. On the day when there will be no prevail probem, then she says in this matter and will be much sad and says what the reason is that the friend did not remind her.”

The devotion of the disciples: The discussion about devotion of the disciples was started, and Qutub Sahib said, "In Baghdad, one Darwesh was arrested for some crime and was presented before Qazi (the judge), who investigated the matter and was given the order to kill him. The prosecutor took him and, as per order, put him standing in the direction of Qibla (the direction of Mecca, to which Muslims turn in prayer, indicated in mosques by a niche (mihrab) in the wall.) as per rules and wanted to kill him. Darwesh turned his face from Qibla toward the grave of his spiritual master. And the executor told him to turn his face toward Qibla at the time of death. Darwesh told him, "You do your work, and I must turn my face toward my Qibla. Both were confused, and then there came an order from the caliph of Baghdad that "We have pardoned the mistake of the Darwesh, and it is compulsory for him to be released." Upon discussing this event, Khaja Sahib said, "To see that due to his good of devotion, Darwesh did not be killed in this matter."

Takbir: One day there was discussion about Tabkir (The Takbir is the name of the Arabic phrase Allāhu 'akbar, which means "God is greater than everything". It is a key part of the Islamic faith and is used in many ways, including) and why Darwesh used to say Takbir in lanes and localities. Hazrat Qutub said that "It is not written that to say Takbir in each and every lane and locality. And this is not a pious method. But in the Hadith (sayings of prophet), it is mentioned that by saying Takbir for thanks, there will be an increase in grace. And afterward he said, "The meaning of Kakbir is Hamad (praise of God), and for thanks of grace we have to do Hamad."

Special persons of Allah: He said there are special persons of Allah, and when they will be at their place, then order will be given by Allah to Kaaba to go to their places so that they can circulate there."

Response of the food: This is an event of one day that food was brought before Khaja Sahib there and still meeting was not finished at all. He started eating food there. By this time, Shaikh Nizmuddin Abu Moid had come

there and said to salam. But Hazrat did not pay attention in this matter and did not reply to his salam. When Hazrat has finished eating food, at that time Shaikh Nizmuddin Abu Mohammad complained to him in this matter and Hazrat Qutubuddin has replied that "I was engaged in obedience and so how could I reply to you? As Darwesh used to eat for the power of worship, and when there is such intention, then he is in worship. And at the time there will be no reply. So it is compulsory that when somebody is eating food, he should not be said salam to him, and upon finishing eating, salam should be said to him."

Higher grade sayings: Some of the sayings of Hazarat Qutub are presented as follows.

Arif (mystic person) is such a person on whose hearts there will prevail strange thoughts at each and every second and minute. And he should be engrossed in the world of rapture. Mystic way: On the mystic way, Darweshi is another thing. And keeping things is different. On the mystic way, there is required great courage so that there will be firmness of the secrets and they will not be known. As secret is eminent of the friend.

*If he would not get the presence of his spiritual master and there is a mistake in repentance, then put his dress before him and pledge in this matter.

Elixir: The saying of holy persons is having effects of elixir.

Daily recitals and wazifa (A wazifa is a regular litany of Quranic verses, hadiths, and Duas practiced by followers of Sufism. The word wazifa comes from Arabic and its plural form is wazaif.): in the following are

mentioned some recitals and wazaif that are shown by Hazrat Qutub Sahib.

To fulfill desire and wishes: To fulfill desire and wishes, we should have read verse Baqra.

Hazrat Baba Farid has said that there was some desire of Hazrat Qutub Sahib with Allah. He began reading verse Baqra. Still, it was not over one day. And he did not complete his prayer, and by this time his desires and wishes were completed in this matter.

For memorization of the holy Quran, reading the verse Yousuf is good.

The reward of the Haj pilgrimage: One who performs 2 rakats of prayer in the beginning of the month Zil Haj as follows.

That in first rakat after verse Fataha read from verse Enam from “Alhamad lilah lazi khalq samwat from here to ma taksibun.” And in the second rakat after verse Fataha, and after it, recite verse “Qul ya kafirun one time. Allah will add the reward of one Haj pilgrimage to his account of deeds.”

To keep in safety from clamity: Hazrat Qutub has said, "One who leaves his house by recitation of Ayat al-Kursi, and for it, the prophet of Allah has said the house will be safe and secure in this matter.

Increase in sustenance: He has said one who will face a tight condition is his sustenance then he should usually recite : "Ya daim eiz wa mulak wa baqa ya zuljal waljud walfasal ata ya wadud wa zularash al-majid ya falu lima yurid."

Revelation and miracles: There were many of the miracles by Hazrat Qutub and in a brief way we are mentioning some of them.

He has much fondness of Sama hearing. When he came to Delhi, he and Qazi Hameeduddin Nagori used to hear Sama hearing. And this news was reached to Sultan Shabuddin; he was angry, and he said, If he will learn again that he will hear Sama, then at that time I will hang him on the cross or, like Ain Qaza, burn to ashes in this matter."

Hazrat Qutub, upon hearing this, said, "Well, if he is alive, then he will hang us or burn us into ashes."

And in that month of the Sultan, Shabuddin went toward Khurasan, and in a few days he died there.

Hazrat Qutub stayed in Multan, and Qabacha was ruler of Multan at that time. And one day he came in the presence, and he told that him, "There came the Mughal army to capture Multan, and I do not have the power to fight and contest that with them. For God sake, help me in this matter." Hazrat Qutub has given him one arrow, and advises him "After sunset prayer, go to the tower of Hisar and throw this arrow with help of the bow toward the enemy side and see its result from the side of Allah."

Qabacha has done as per his saying. After falling of the arrow, the Mughal army left from there and returned back.

One day there was a Sama meeting in the house of Qazi Hameeduddin. Hazrat Qutub was found with his grace there. After finishing the meeting, Qazi Hameeduddin told Hazrat Qutub that there is required food for the audience. And Hazrat Qutub shake his sleeves, so there were fallen two breads with

hot sweets before the audience of the Sama meeting.

One day there was a Sama meeting in the house of Qazi Hameeduddin, and Qazi Sahib was in the condition of rapture. Qazi Sadiq and Qazi Emad, who were among the great Qazi personalities of Delhi. And both of them reached the meeting place. And at that time, Hazrat Qutub was 18 years old. And still there was a not-found beard on his face. Both of them addressed to him, "In the religion of Sufism, the presence of breadless lad is against its rules and regulations."

Upon hearing this Qutub Sahib by reciting "In the Name of Allah (SWT) the Merciful, the Compassionate or Bismillahir Rahmanir Raheem (Arabic: 'بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ'" is an Arabic phrase meaning "In the name of God, Most Gracious, Most Merciful" spread his two hands on his face, and at that time bread was found on his face.

He told both of them that "He is not a breadless lad, but he is a male person."

Upon seeing this, both of the learned persons were surprised and astonished in this matter.

One day, Sultan Altamesah was seen as the prophet of Allah in his dream. He saw the King of both worlds on horseback gracing at one place, and he is saying, "Oh, Shamsuddin, build one water reservoir at this place so that there will be benefit to mankind."

Sultan, after awakening, has informed Hazrat Qutub that he has seen one dream and he wants his permission to come in his presence. And in reply, Hazrat Qutub has sent a message to the sultan as follows.

"I know details of the dream. I am going to that place where the prophet of Allah has given order to construct a water reservoir. You come soon at the place of my address."

The sultan has reached at that place and has seen Hazrat Qutub performing the prayer there, and when he had finished praying, he said salam to him. He has seen the place of prophet of Allah in the dream, and at that place he has found signs of the hoofs of horses. And there was running of the water, and at that place, Sultan Shamsuddin has built Houz (Shamsi water reserver in Dehli).

There was much name and fame for the big-heartedness of Sultan Shamsuddin Altamesh. The famous poet Nasiri came to Delhi and went in the presence of the blessing of Hazrat Qutub for his prayers. He told him by his tongue of favor, "Go, you will get much reward."

Nasiri has written an encomium of 56 couplets in the praise of Sultan Shamsuddin of the Delhi kingdom and present in the court of the sultan. The sultan did not pay any attention. Nasiri was worried very much. He has asked in his heart for help from Hazrat Qutub. Upon his help, the sultan asked him to say yes to reading your article. He has read the article. The Sultan was very happy to listen to it. And he has given Nasiri 56 thousand rupees as a reward to him. Upon receiving money, Nasiri, in happy mode, reached in the presence of Hazrat Qutb; he put all the money received in reward. But Qutub Sahib did not take any amount from it. He went back to his native place.

After the death of Qutub Sahib, his favor of spring is being found. Hazrat Nizmuddin Auliya used to visit the grave of Qutub Sahib,

and there came the thought in his mind that whether there would be any news of visitors to Qutub Sahib or not.? And when he reached near the grave, he heard the following couplet.:

“Imagine me alive, my dear.”

One person was buried at the feet side of Hazrat Qutub, and people have seen him in the dream that he is visiting heaven, and he was asked how he got heaven, which was his deed. And that person has replied, “When angels of punishment came over there to give punishment for me, then there was difficulty to the soul of the Hazrat Qutub, so Allah has removed punishment from the grave and forgiven me.”

His favor of the innermost is being continued. And due to the favor of his innermost, still people are being benefited in this matter.

human bones there. He thought that perhaps those were the bones of his mother. And it is possible that she may have been killed by any tiger or beast. And by thinking he has collected those bones and put them in the bag. He has taken that bag in the presence of Baba Farid. And told him the whole story in this matter. Baba Sahib, upon hearing this, asked him to show his bag. He was checking it, but there were no bones in the bag.

Meeting with Khaja Khizer: One day he was returning from Eid Gah (an Eidgah is an open-air space used for Muslim prayers on special occasions, such as Eid al-Fitr and Eid al-Adha). The word "Eidgah" comes from the Persian words 'īd (feast) and -gāh (place) to his house. The people were around him. They were kissing his hands and feet. Some Darwesh people who did not see him before were asking for his name. When they were able to know his name, they decided to go to his house and have food with him. The Darwesh people came to see him, and they asked him to arrange food in his house. He told them welcome. And asked them to sit there. On that day, there was hunger in the house. He told his wife if there is anything,

then she should cook in this matter. When he was able to know that there was nothing in the house. He told her to give him her chador (a large piece of cloth that is wrapped around the head and upper body, leaving only the face exposed, worn especially by Muslim women.) from her head. So that he can bring bread and curry from the bazaar. He has seen chader in which there are some patches. And who will buy this? Then he thought to sell away his prayer mat, and also in it there were many patches. In helpless condition, he has done as per the practice of the fakir person that if Darwesh will not find anything in his house, then they will stand in the meeting place by holding a water bottle in his hand. And he gave water to all Darwesh people. The Darwesh persons took water glass from his hands and drank some water, and all of them left his house.

After leaving the Darwesh people from his house, Khaja Sahib went into his room and began thinking in his heart, "Eid day is passing away, but there is no food going into the mouths of my children. And travelers are coming and going in disappointing ways."

He was busy thinking such of the above way, and one person came there by reciting one Persian couplet. He could tell he was Khaja Khizer, so he stood to give respect to him. Khizer asked him what complaint you are making. He said, fighting with heart, that there is nothing in the house. Then Khizer told him to bring some food for his eating. But he excused in this matter. Khizer told him to bring whatever is there in the house. He went into the house. He saw one dish full of food. Upon asking his wife, she told him that one person came and put the dish and went away. And from that dish, he took some food and went to the upper side of the house. And when he got there, he could not find anybody there. He told in his heart that this status which he has got is due to poverty and poorness.

Baba Farid last time, he requested him, but at that time Baba Farid was silent.

Hazrat Nizamuddin said that Baba Farid has given caliphate papers. And instructed him to show in Hansi Moulana Jalaluddin and in Delhi show Qazi Muntaqab. He was very surprised that Baba Farid had not mentioned the name Shaik Najibuddin Mutawakil in this matter. He thought there may be some expedience in this matter. When he came to Delhi, he was able to know that he had died on 7th Ramadan.

His grave is well known in Delhi as Shaikh Najibuddin Sher Sawar. His grave is near the grave of Bibi Zulekha.

Biography: He was a great dawesh of his time. He has presented a higher-grade example of trust in Allah. About his engrossment, Hazrat Nizamuddin Auliya said, "I have not seen such personality in Delhi. Even he does not know what is today. Or which month is it? What is the rate of selling of grains and the selling rate of mutton? So he did not know anything about this matter. He only used to be busy in the worship of

Allah." Hazrat Baba Farid told him, "You are also among Abdal (Abdāl (Arabic: أَبْدَل) , lit. substitutes, but which can also mean "generous" [karīm] and "noble" [sharīf], a term used in Islamic metaphysics and Islamic mysticism, both Sunni and Shiite, to refer to a particularly important group of God's saints.) persons."

Fondness of knowledge: For many times he wanted to write the book 'Jama Hikayat'. At last one person whose name was Hameed began writing this book, and that book was soon ended.

Sayings: :Perfect Momen (believer) is that person who prefers friendship of reality to friendship of the sons. When the world will go the world from the hands, then do not care about it as the world;it is not a remaining thing."

Daily recital: Hazrat used to recite this prayer always.

"Eimoni fee ebad allahe rahimukullahi."

Miracle: There was his brother in Badayun. He used to go to Badayun every year to meet

him there. Once these two brothers went to see Shaikh Ali, who was a member of a rich family. He removed his footwear four steps before reaching the floor there. He put his foot on the ground, then he put his foot on the floor, and the prayer mat was on the floor. Shaikh Ali was upset with this matter. He said this mat was a prayer rug upon which these brothers have sat there. There was one book before Shaikh Ali. He has been asked about the book, but due to his rivalry, he did not reply in this matter. Then he said, "If there is your permission, then I can see the book." Upon his permission, he opened the book. When he opened the book, he saw the following writing in the book:.

"In the last time there will be such learned persons who used to be involved in sins in the loneliness. But if there will be the foot of any person on the floor, then they will be making disturbance in this matter."

He has given back that book to Shaikh Ali, and upon seeing that writing, Shaikh Ali felt much regret with him in this matter.

Devotion of the invisible with Baba Ganj

Shaker: Hazrat Nizmauddin was in Badayun, and he was 12 years old. And he was engaged to obtain knowledge of the dictionary. There is an event of one day that he was sitting with teacher Moulana Alauddin Usli, and one person came from Multan, and his name was Abu Baker Qarrat. And he was also called Abu Baker Qawwal (chorister).

His teacher has asked that person about scholars and holy persons of Multan. And that person has much praise for Hazrat Shaikh Zikria Multani. He was singing for him, Qawwali. It is difficult to mention his worship and mystic exercises. Even the condition of his maids is such that even during work time they used to engage in remembrance of Allh. In that area, he was lighted due to his favor and grace.

Hazrat Mahbub Ilahi began listening to these events. Then chrositer began telling details of Ajodhan that there was a living Baba Farid Ganj Shaker. And he went in his presence. And he found just like a complete moon of the sky. He has given light to a dark heart by his light of knowledge. And in this way he has conquered the hearts of the people there. And many people are there in his circle.

When Hazrat Nizamuddin was heard praising of the Baba Farid Ganj Shaker, then there was a passion and love for him in this matter. In this way, there was found in his heart devotion to him. There was created in his heart the feeling of kissing his feet. His love as well as devotion and fondness were

increasing day by day. There was his daily recital after every prayer for saying Shaikh Farid and Moulana Fairid ten times. This love of the innermost was not hiding, and it was known to his friends in this matter. When he left Badayun to reside in Delhi, there was one person whose name was Ayuz and who was with him in his journey. When he finds any danger on the way, then he will suddenly say, "Oh, peer, be found; we are going under your protection." When Hazrat Nizamuddin hears the phrases of that person and he has asked who is your peer, where he is residing, and in whose protection you are going in this matter." That person said, "My peer is such one who has taken your heart at his side. And he made you out of love in this matter. It means Shaikh Farid Eldin Ganj Shaker." Upon hearing this, his sincerity and faith increased very much. In Delhi, Hazrat Nizmuddin began to spend much of his time in the company of Hazrat Nijibuddin Mutawakil. There, by hearting attribute and righteous and praise, there was increased his

fondness, interest, and liking very much to kiss the foot of the Baba Farid Ganj Shaker. There was passing of the time, and in this matter, there were passed away three years.

The changes in life: Hazrat used to spend nights in the Jama mosque in Delhi. One day, in the morning, the azan caller went to the minaret and recited the following verse of the Quran, and its translation and interpretation are written as follows:.

“Whether the time has not come for Momin (Momin (Arabic: مؤمن) is an Arabic Islamic term that means "believer." It's often used in the Quran to describe someone who has complete submission to Allah's will and a firm faith in their heart. Mumin can also be used as a name and is one of the names of God.) persons to bend their hearts before Allah for remembrance.”

Hazrat Mahboob Ilahi heard this verse of the Quran, and there was prevailed upon him strange condition. There was a strange change in his condition. And his chest was full of the light of Allah. And there was gone love of the world from him in this matter.

Now there was no more with him desire, need, and wish of the world. The living of the isolation became his aim in this matter.

Departure to Ajodhan: Upon him there was fondness of devotion. He started journeying toward Ajodhan without any intention and made no travel arrangements and no expenses with him. He went to Hansi, and there he began waiting for the caravan, leaving for Ajodhan. When there was a gathered caravan, then he was also joined with the caravan people for travel. When the caravan chief feels any danger on the travel, he will stand, and he said in a loud voice, "Oh, my helper and intercessor, be present for us." Hazrat Nizmuddin has asked the caravan leader who is your peer and whom you are calling for your help in this matter. My peer is the Qutub of the world, Baba Farid Uddin Ganj Shaker, and I am calling him only." Upon hearing this, there was an increase in his devotion to the Baba Farid.

On the way there is one place, Sirsa, and from Sirsa there are two ways, and one road goes to Multan and the other way goes to Ajodhan. On the third night, Prophet

Mohammed came in his dream, and he told him, "Oh, Nizamuddin, follow the way of Ajodhan." Hazrat Nizamuddin, without hesitation, followed the road to Ajodhan by saying 'Ya farid', 'Ya farid.'

In the presence of Hazrat Baba Farid Uddin Masood Ganj Shaker

By passing the way, and at last he was reached to the final destination of Ajodhan. On Wednesday at 11 Rajab in the year 665 Hijri, he entered Ajhodan village, and after Zuhar afternoon prayer, he went in the presence of the blessing of the Baba Farid Ganj Shaker and got the blessing by kissing his foot.

Hazrat Baba Farid Ganj Shaker, upon seeing Hazrat Nizamuddin, has recited the following couplet.

In the morning, without travel expenses and convenience facilities, Sheikh Nizamuddin started his journey towards Ajodan on his feet, and he met Baba Faird on Thursday, and upon seeing Baba Sahib, he recited the following Persian couplet.

'Its translation is that the fire of your separation made the hearts like kababs (a kebab is pieces of meat or vegetables grilled on a long, thin stick or slices of grilled meat served in pitta bread.), and the flood of your fondness spoiled the life in this matter.'

Hazrat Mahboob Ilahi himself has explained this event as follows.

Sheikh Nizamuddin wanted to explain to Baba Farid his condition of eagerness of the heart and sincerity, but due to his fear, he could not say anything in this matter. He could say only there was fondness to kiss your feet. Hazrat Baba, upon seeing his condition, said by his tongue of favor as follows:

But Baba Farid, with great love and affection, told him, "Welcome and greetings to him, and due to the grace of Allah, he will be greatly benefited by blessings in both worlds."

Then Sheikh Nizamuddin was given Qirqa (saintly dressed), and he was made him head of the group of special disciples of the Sheikh of the world. He was given him a cap, which he was wearing on his head, as well as relics,

Qirqa (saintly dress), wooden sandals, prayer carpet, and staff. Then Baba Farid Ganj Shaker addressed him and told him, "Oh Nizamuddin, I want to give the saintliness of India to some other person, and you were on the way. At that time, I heard an invisible call in which it was told to stop this matter for some time as Nizamuddin was coming. And he is eligible for saintliness of India. So it required to be given to him. At that time, Hazrat Nizmuddin was 20 years old. As per the order of his spiritual master, he began living in Ajodhan. And Hazrat Mahboob Ilahi has asked his spiritual master, "What is order for him? If there will be instruction to stop reading and teaching and engage in supererogatory prayers and daily recitals.

Hazrat Baba Faird told him, "I do not prohibit anybody from reading and teaching, so do this and also do the other things, as Darwesh has with him some knowledge in this matter.

Dignity of loveliness: When a perfect holy person passes from stages of Qutbiat (In Sufism, a Qutb is the spiritual leader of the saintly hierarchy and is considered to be a perfect human being. The Qutb is the central figure of Sufism; with a divine connection to God and the ability to pass on knowledge and solitude, he will reach the final status of dignity of loveliness (shan mahboobi), and he will become a manifestation of the secret of Allah. As well as his will becoming the will of Allah in this matter.

Hazrat Nizamuddin, from the status of Ghouse (helper), reached the status of dignity of loveliness. The dignity of loveliness is still

seen from his grave of light. And from him there will be such fragrance, which will be like oud (in Arabic, 'oud' literally translates to 'wood'), and its etymology is a nod to the way the substance is made. In its purest form, oud is a natural resin extracted from the heartwood of the aquilaria tree native to Southeast Asia—found particularly in the rainforests of Bangladesh, Indonesia, and Thailand.).

Indigence and hunger: His beginning period of life, which passed in the condition of poverty and scarcity. In that period, he does not have even one Chital coin with him. And from which he can purchase two or three breads.

And the fakir without waiting began eating of ash-e-jo. And upon eating the fakir, he broke the cooking pot on the earth, and he said, "Moulana Nizam grace of manfiest, which was given to you by Baba Fariduddin." And I have broken your cooking pot of the indigence of manifest."

And from that day onward, there were so many victories, amounts that came and were impossible to count and reckon. And upon him there were widened from all four sides doors of victories.

Public kitchen: There was a prayer of Baba Farid that "Due to the grace of Allah, there should be used 70 maunds of salt in his public kitchen."

Hate of the world: He used to spend his life away from the world and people of the world.

Generosity: The condition of his generosity was that whatever will be received in the day will be spent out by the evening time the same day. One day there was a fire that broke out in Ghiaspur. Many houses were burned down. So there was shock of him in this matter, and he was given the order his servant Iqbal to be given two dishes of food, two water bottles, and two golden coins to the people whose houses were burned down, and Khaja Iqbal was acted as per this instruction. And from his side there will be the people brought up. And there will be help to students and Quran-conners from his side. There was surprise of the kings upon his generosity and bigheartedness.

Liking of Sama

(Sama (Turkish: *Sema*; Persian, Urdu, and Persian: سماع

, romanized: *samā*) is a Sufi ceremony performed as part of the meditation and prayer practice dhikr. Sama means "listening," while dhikr means "remembrance." These performances often include singing, playing instruments, dancing, recitation of poetry and prayers, wearing symbolic attire, and other rituals. Sama is a particularly popular form of worship in Sufism.) He has much fondness for hearing Sama. It was an event that he was passing from one place, and one person was taking water from the well, and there was the water wheel on the well. And he was saying with his friend, "Come out, oh brother, come out."

When Hazrat Nizmuddin Auliya heard these words, then it prevailed upon his rapture. And those who were with him were reciting these words.

Greatness and holiness: with Hazrat Nizmuddin, the prophet told him in his

dream, "You are the sky of the fakir and poor people." Once Khaja Khizer has solved the difficulty of Moulana Wajihuddin Paili, And Moulana has asked him if there will be any problem faced by me, then it will be possible to see you." He has replied, In the kitchen of Khaja Nizmuddin Auliya, he will be found there."

One day there was a meeting of Khaja Moinddin with invisible persons, and one among them told him, "Oh, Khaja, you have caused uproar in all cities of the world. And upon hearing this, Khaja Sahib told him, by surprise, "Whether I did."

*And that Abdal said, "No." He then asked, "Is Qutubuddin?" And Abdal told him, "No." He then asked, "Is Baba Farid?" And Abdal told him, "No. Then he asked, "Is Nizmuddin?" So Abdal said, "Yes." Khaja Sahib told him he is in 4th grade with me. And Abdal (a known number of divines chosen by God who always inhabit the world; it is said that when one of them dies, God appoints another in order to keep their numbers the same, i.e., seven or seventy).

And he was given the name of the book as “Rahat al-Quloob.” And in that book in which he has written the blessing of the discourses and sermons of Baba Farid Ganj Shaker. And this book was published in Persian, and this book’s translation was done in English by Mohammed Abdul Hafeez (myself), who is also doing translation of this book ‘22 Holy Persons in Delhi’.in English.

His teachings are songs of the secrets of Allah. These are as such jewels that and which are rare. In the following, some details of his meetings are mentioned as follows:.

1.Leaving the world: For it must have higher-level courage and not be involved in the filth of the world. And to leave greed and lust.

2. In the second meeting, he said, "If somebody keeps fasting in the daytime and he is a night worshipper, and even he may be a Haji person, the original rule is that there should be no love of the world in his heart.

Reading of the Quran: The reader will be found with some peace and comfort from the verse, so he has to read it many times. In the reading and Sama, there will be found the condition of felicity, which is prevailed from three resources, and the details are as follows: 1. Lights 2. Conditions 3. signs, and which are sent from the world of Malik (angles). 2. Malkut (dominion) 3. Jabrut (heavens). and places where fall are souls, hearts, and organs. And lights from Malkut on souls, conditions from Jabrut on hearts, and signs from Malik on organs.

Charity: For charity, he said, "When there will be five conditions in charity, then it will be accepted. And in it two before giving. And two at the time of giving. And one will after it. The two conditions before giving are that whatever will be given belongs to a legal source and to be given to a pious person who will not spend in bad deeds.

The two conditions at the time of giving are humility and happiness. And keep hiding from other people. The last condition is not to keep remembering the person who was given charity and forgetting the name of the person.

Patience and endurance: For patience and endurance, he said, "When there will reach this matter to the person against it, then he should not lodge a complaint." The meaning of approval is that with difficulty he should not feel uneasiness in this matter, and there should be a feeling that there was not prevailed any problem with him.

Trust: For trust, he said, "There are 3 degrees of trust. In case of claim, not hire the service of an advocate, even if that person is his friend. And as a learned person, then the complainant will be free in this matter. And he will say I have the service of such an advocate who is wise in his claims. And he is my friend. And in this case there will be trust as well as question. And this first degree of trust, in which there is trust as well as question. The second degree of trust is there a milk-feeding boy and whose mother is

feeding milk to him. From this there will be trust and it will not be their question. The boy will not say to give me milk at such and such time. And he only weeps in this matter, but he will not demand. And he did not say to feed me milk. And in her heart there will be a heart of kindness and trust.

The third degree of trust is like the hands of an undertaker whose work is restricted to washing the dead corpse or giving a funeral bath, and for him, the dead person will not move or question him. As per the wish of the funeral bath giver person, give him movement and wash him. This degree is higher-level status.

Kinds of obedience: He said obedience is compulsory, and it is compulsory that its benefit will reach the personality of the follower of it. And these are prayer, fasting, Haj, Darud (blessing), and Tasbih (beads).

Mutadi is that obedience that benefits other persons. Unity and hardship, doing in favor of the other; this is called Mutadi, and its reward is such in this matter. In compulsory obedience, there is a must of intention. So

that it can be accepted. But it is Mutadi obedience, which should be done in any way and in which there will be a method of prayer. At the time of praying, there should be no thought of sins. As well as for worship and obedience, which is done, and if this is done like this, then there will be surprise in this matter that prayers will not be accepted. If there will be thinking of sin, then there will be laziness in the acceptance of the prayer. So at that time, one should look at the mercy of Allah. And there be belief that the prayer is sure to be accepted by Allah. He is also said to open two hands at chest level. And this is also information that both hands should be closed at the upper level. It should be made as such a face that just knows there will be something found.

Perfect faith (Eman): He told that "There should be faith in Allah." And except him, there should be no faith from others." He then told me that "a man's faith will not be completed unless and until in his eyes all creations have less reality than mosquitoes."

Engagement of reality: About engagement of reality, he said that "real work is

remembrance of reality, and except this, all others are interferences in the remembrance of reality.”

Kinds of sustenance: As per holy persons, there are found four kinds of sustenance. 1. Sustenance Mazmon 2. Substance of fate 3. Sustenance of Mamelok 4. Sustainiance of Maud.

The sustenance of Maznon is that which belongs to food and drinks and income. This sustenance is guaranteed by Allah. The sustenance of fate, which is written by Allah in eternity time and which is part of his fate. And which is found in the tablet in the sky. The sustenance of Mamlok is that which can be stored, like rupees, cloths, and resources. And the substance of Maud is that which is promised by Allah to his holy persons.

About Patience: For Tahmal, he said, “There is treatment of the people from them in three ways.” First, to those people, there will be no benefit or loss to others. And such people come under the category of gamadat (non-living things).

In the second category from them, there will be no benefit or loss.

Third-category people are better than both of them. It means those people from them will benefit others. And if there will be loss to them from other people, they will not take revenge but bear in this matter, which is the work of true persons.

Sama's Meeting :He said when there will be something available, then it will be permissible to hear Sama. The singing of a Sama person is called Masmu. And who should be an adult male and not a boy or a woman, and there should be instruments of the Sama. The singer should not sing for uselessness for Musmu, who is a listener and should be fond of reality, and with him there will be no false thinking. And the instruments of Sama are chung. (used about a machine or engine) to make short, repeated sounds while it is working or moving slowly. and rabab (*Rubab*,*robab*, or *rabab* is a lute-like musical instrument), etc., which should not be in the Sama meeting; then such a meeting will be called legal.

Then he said, "The Sama is a suitable voice." So how it will be illegal. Also in it there will be movement to the heart. And if that movement is for remembrance of reality, then it will be called desirable, and if there is bad thinking, then it will be illegal.

Sayings: Some of his sayings are as follows:.

1. The real wisdom is to leave the world.
2. Darwesh should not feel happiness from happy events and should not feel sadness from sad events.
3. When there will be a full stomach, then there will be no eating more. But it will be permissible for two people that the person in whose house there will be the host so for sake of him and together with him he can eat some more with him and other people who will keep fasting and he thinks that he will not get perhaps at the time of Sahar (food eaten before daybreak during Ramazan or for other fasting days) eating time.
4. When the man learns knowledge, then he will get excellence. And when he follows obedience, then there will be improvement in

his work. On this occasion, the spiritual master should break both of them; it means to fall out knowledge and action from his look so that he could become a person of self-appreciation.

5. There will be a fall of mercy at the following times.

At the time of Sama and eating of food with intention of getting power for the obedience. At the time, mentioning the details of Darwesh people.

Daily recitals: He has said before calamity there is a requirement to recite prayer.

There will usually be prayers accepted by Allah in the early morning. And this time is good for the prayers.

Revelation and miracles: Hazrat Nizamuddin Auliya was the personality of revelation and miracles. But for these things, there were no value at all in his look. He used to say that revelations and miracles are veil on the way. In the love, the work is done by formation. So be helpless in this matter. So that to get real aim in this matter. To show miracles, there is no sign of holiness or piety. So keep the secret; this is hidden in this matter and for this there is a required higher grade level of courage.

Hazrat Nizmuddin Auliya has said that “There are 100 grades of mystic way. And the status of revelation and among its miracles is having 7th grade. And Salik (student) who lived in this matter who will not go further in this matter.

Hazrat said there are four kinds of supernatural habits.

1. Miracles happened by the prophets.

4. Escalation: When anything that will happen against habit by persons who do not have faith. And which is called escalation.

Hazrat Nizmuddin Aulia has said by miracles there will be three things.

1. The knowledge without education and become a man-learned person without education.
2. The holy persons will see such things as will be seen by the general persons in their dreams.
3. Like the thoughts of the general persons, which will have effect upon them, and in the same way, the thoughts of the holy person, which will have effect on the general persons.

There are mentioned details of some of his miracles as follows.

1. Once Qazi Mohiddun Kashani was seriously ill, and in appearance there was no chance of his recovery from illness. When Hazrat Nizmuddin Auliya went to see him and he was dying at that time, and due to the blessing of the feet of Hazrat, he was well, and there was a complete recovery of his health in this matter. He stood to welcome Hazrat Nizmuddin Auliya into his house.

In his shrine building there was a digging water well, but there was found sour water in the well. One day he was present in the Sama meeting. And he has asked to bring by his servant Iqbal the paper, pen and inkpot. Hazrat has written something on the paper and asked Iqbal to put the paper in the well. Upon putting the paper in the well, the water has become sweet.

One of his disciples, Moulana Baderuddin, has seen one camel on his threshold in one night. He was sitting on the camel, and that camel was flown in the air and went away. In the last part of the night, a camel came back there and Hazrat came down from the camel and went into the shrine building.

There came a thought in the mind of his disciples that if Hazrat will give his drink water to him, then it will be deemed his miracle in this matter. Hazrat was able to understand the danger of the disciple in this matter, and he was given his drinking water to him.

The strange event of the king: King of Delhi Ghias Uddin Tughlaq, who used to not say anything in appearing to Hazrat Nizmuddin Auliya. But he has foulness in his heart. One time he went to Bengal from Delhi. And he has sent a message to Hazrat Nizamuddin Auliya to leave from Delhi. And also after that, he should leave from Ghiaspur. At that time he has become some sad in this matter, and he has said, "Hanooz Dilli Door Ast," which is a Persian phrase that translates to "Delhi is still far away." It is associated with the Sufi saint Nizamuddin Aulia, who is said to have said it to Sultan Giyasuddin. The phrase is used to convey a sense of nonchalance about threats that are far away.

At last it happened that still he could not reach Delhi, and there was a fallen palace of

Tughlaqabd upon him, and he died. He could not reach Delhi as per his fate. Till now, people have used this phrase as a proverb in this matter: "Delhi is still far away."

there came Darwesh people to Delhi for travel and tourism. They met with Hazrat Nizmuddin Auliya. And those Darwesh people were sitting in the presence of Hazrat Nizamuddin Auliya. By chance, Hazrat Nasiruddin Mahmood Chiragh Dehlavi came in the presence of the excellancy of Hazrat Nizamuddin Auliya. Hazrat Nizamuddin Auliya asked him to sit there. And advised to keep those relics which he has kept by him as well as holy saints of Christ have kept with respect and honor.

presence of Hazrat Nizamuddin Auliya, and he stayed one night in the shrine building. When Tahjud prayed, he removed the blanket and went for ablution by keeping it in one place. When he came back after ablution, he could not find the blanket at its place, so he began saying angry words to the servant.

Hazrat Chiragh Dehlavi was engaged in the worship, and when he heard the conversation, he stood and gave his blanket to him and finished this matter in this way. Someone has told this event to Hazrat Nizamuddin Auliya, who called him on the first floor and was given him his special blanket. And prayed for his well-being. And was given his blessing for both worlds.

Hazrat Nizamuddin Auliya was given an order to eat all the items before him. And he was very surprised at how he could eat items at once. But he ate all things as he could not refuse the order of his spiritual master.

there are any bad thoughts in his heart about his peer, then he is not a true disciple.

The capital of the fakir person is endeavor. And what should be the true heart? And not with the aim that mankind should think of him as a worshipper and ascetic or a person of endeavors.? Advice and counseling: In this paper of the caliphate they are found advice and counseling, and the translation of them is as follows.

In the name of Allah, Beneficent and Merciful.

All praises are to Allah. And the courage of his friends, who have left the whole world and specially flown to a higher level towards him. Their aim of the hearts is attached to the personality of salvation and for the sake of good name.

So to such friends for them from the reserve of water Kauser, there will be served glasses of love Kauser at morning and evening time. In such a round of service, there will not be a downgraded condition. When there will be nightfall, then their hearts will be due to the flames of fondness. And there will be falling rain of the weeping from their eyes. And

these friends, who are in a hidden way, get benefit from the praise of the friend. By their thinking by way of honor, they circumambulate the tip of the veil of honor.

Among them there will be one or another person who will always kept in his heart the freshness of knowledge of Allah and in around the world its effects, and light will be found. Their tongue will be in reality clearly. And he will be the caller of mankind toward Allah. So that he can take away mankind from darkness and take them to the nearness of Allah, who is the giver of salvation.

Then there was prevailed complete grace and on the prophet of the brilliant Islamic law and bright of mystic way and who at the place of pledge of Allah is special in this matter.

Upon his caliphs who are successful in all places. And on their progeny, who call their sustainer in the morning and evening. And no doubt to call towards Allah, who is alone with his slaves in this matter, which is the great aim of the Islamic religion. And firm attachment with faith as strongly as stated in the Hadith of the prophet of Allah. "There is swear in the personality in whose hands

there is the life of Mohammed. If you like, I will tell you by swearing that Allah likes such slaves among all of his slaves who will make Allah dear to them and make slaves of Allah dear to Allah. And by walking on the earth, give advice and teach pious deeds. Allah has praised such slaves in this matter. And those who pray, "Oh, our Allah, make coolers of our eyes from wives and our sons." And make us guides of pious persons."

Also, Allah made it is obligatory for the slaves to follow the prophet of Allah. He said, "Oh Mohammed, say, oh people, this is my way." I call you toward Allah. Myself and my people are on an insight and who are my followers. And without following the prophet, checking and following their sayings and deeds. And the existence of their hearts by clearing and by the finding except of Allah. And to get disconnected from all and to go toward Allah, otherwise they could not find aim."

It should be known that my dear son, the sun of the nation and religion, Mohammed bin Yahiah, is a pious, learned person. Oh single God, grant light upon him who is a person of piety and belief. When his aim was firm

toward us, we granted saintly dress to him. He has obtained the full part of love, and I have given him full permission that he should follow the prophet of Allah, engage in obedience and worship, and keep his soul safe from sensual desires and dangers. And keep away from the world and its sources.

Keep away from the people of the world.

Keep coming apart toward Allah.

In their hearts there will be lights of heavenly and lighten secrets of the agnelic world, and there will be understanding of the door of praises of Allah.

From the speech of the people of faith who have added matters of faith from Sunnah. And which are specters in the argument of wisdom and without necessity and from the speech of people with mysticism who are comprehensive of knowledge and Sufism. And who are the people not oppressing their souls? And not doers of difficulties upon the Sunnah of the prophet by proceeding further. And not sit in the company. 3. In all times and conditions, do not leave your memory.”
4. In all deeds, follow the Sunnah of the prophet.
5. Spend all your time in extra Nafil prayer and worship and perform all pillars of worship in perfect prayer without adjustment of another recital and Azkar (repetitions of the names and praises of God, recitals) and

reading of the Quran, blessing, astagfar (asking forgiveness from God), and entrusting all matters to Allah.

6. The aim of the method of the mystic way is decoration of manners. There should be attention towards Allah always. So that there will be helplessness, humility and sincerity should be there always.

His manifesto should be a must for following the Sunnah of the prophet. And his innmost may be from disobedience to Allah. There should be attention towards Allah always.

7. Whatever there will be income from an invisible source that will be spent on the relatives and other balance amounts to be given to poor people.

Death: Hazrat went to Makkah and Madina in the year 1249 Hijri. And upon visiting Makkah and Madina, he came back to Delhi. On 22 Ramadan, he went to Tonak. And due to illness, he stayed there. On Eid Fitar day, in between Zuhar and Asar prayers, Hazrat left this world in the year 1250 Hijri. He was buried in Tonak, and after 40 days, his coffin was brought to Delhi from Tonak. And his

dead body was taken out of the coffin, and he was buried in the earth.

Caliph: His son Hazrat Shah Shah Saeed was to become his successor and caliphate, as well as his custodian.

Biography: He will not upset from severity and bitterness. He was proud of indigence and hunger. Hazrat used to follow the order of his spiritual master strictly. He was a great, learned person. He was Darwesh and a person of the miracles.

Fondness of knowledge: His book 'Hidayat Talibin' is a memorable book of knowledge.

Teachings: Students can be greatly benefitted by his teachings.

The difference between the names of Zahir and Batin.

Hazrat said the difference between the name of Zahir and Batin is that in the walk of the name of Zahir (manifest), there will be prevail Safati Tajilat (an attribute of brilliance) without concern of the name of the personality. Even in the walk of name of innermost in which there will be find

brilliance of attributes of name of personality. But sometimes the personality of the high and holy will come into observation.

Favorite perfection, prophethood.

He said the Hazrat Peer in the month of Zeqad has paid attention to the element of the dust slave. And favor the perfection of the prophethood. (It means perpetual brilliance of personality) sent on my latifa (level). For this position and its knowledge and fields of knowledge are only this that all knowledges and fields should be diminished. All conditions of the innermost will become unidentified. And in this place there will be colorlessness and unwell conditions, which are the gain of the time. There will be power of all kinds in the faith and belief. And the reason for knowledge will become evident. And followers of this status are followers of the religious law of the prophets. In this status, there will be a width and size of the innermost. And stainlessness, which will be increased as such that its thickness and girth as such, and in its aspect of connection only

nothing, and there is tightness and tightness and nothing in this matter.

Diarat Haqiqat Salah (reality of the prayer): In the middle of the circle, Hazrat's personality of perfection and width was observed. That place's width and height, which is very difficult to mention. But know this much reality that the Quran is part of it, and the second part is Haqiat (reality) of Kaaba. It is difficult to describe its place event and condition's attribute. In this place, Hazrat is in revelation of the middle and its perfection and width. Any salik (student) who has learned from this holy reality and is like that at the time of performing the prayer will leave this world and enter the other world. As per the narration of hereafer, he will get a condition equal to it.

At the time of saying takbir, lift his two hands from both worlds. And by putting both worlds at the backside and making the slogan of Allaho Akbar. And he will present in the court of Sultan a standard of high status and against the court of horror and greatness by thinking himself mean and nothing and will sacrifice upon the real beloved. And by

recitation's endowed existence, which is suitable for this status. By speaking, he will talk with the personality of reality and address Hazrat in this matter, and his tongue will become like the saintly line of the prophet Musa. When go in genuflexion, then if it will be purpose-degree attention, then surely, with much nearness, he will come to the superior.

At the time of Prasie, he will face a special condition. Then unnecessarily prasing, and he will perform Qauma. Return to an upright position with your arms by your sides. He will then stand again at the side in the presence of the personality of reality.

To do Quma (go back to an upright position with your arms by your sides). As per my defective wisdom, the secret is that now he has the intention to procreate from prostoraion. So then going from Qiyam (standing to prosotration). And from bowing to prostration, for this connection to go there is much sincerity and honesty.

At the time performing the prostration, there will be a special nearness found, which cannot be described in this matter. And for

its understanding, wisdom is in helpless condition. It seems that the prayer's brief is that prostorations only, as we should be able to get nearness to him.

In the previous crime of the sitting position, he will ask for forgiveness. "Allah humma aghfirli wa arhamni."

Then again, for the demand of nearness, he will go again in provocation and after that in sitting in Tushad. The

Tashahhud (Arabic: شهادَة, meaning "testimony [of faith]"), also known as **at-Tahiyyat** (Arabic: تَهْيَات), is the portion of the Muslim prayer where the person kneels or sits on the ground facing the Qibla (direction of Mecca), glorifies God, and greets Muhammad and the "righteous servants of God," followed by the two testimonials. And thanks and obligation of the grace of nearness of Allah in the court of Allah.

The reason for the Islamic creed's dealing is to certify the unity of God and prophethood. And which is not possible without it.

Then he will recite blessings on the prophet because, by his intercession, he can get all graces in this matter.

The blessing of prophet Abraham, which was adopted because at the time of performing the prayer to get loneliness with the real beloved. And as well as to a special sitting. And special companionship, which was the share of the prophet Abraham. Due to the blessing of Darood, he is demanding the sitting of a companion and friend in this matter.

Miracle: After 40 days, his coffin was brought to Delhi from Tonk. When it was opened, it was seen that just now there was given a funeral bath to him. There was no change. The cotton that was placed under the funeral in which was coming fragrance.

THE END.
